WHAT'S GOING ON AROUND TOWN

By BILL KATZ

One reason the now defunct Daly City Boys Club should be reorganized was made evident to us last week by a smiling, slightly stooped old man who dropped around for a chat.

During the course of our conversation, he dug down in his pants pocket, brought out an old coin purse and carefully laid 60 cents in dimes and nickels on our desk. "For the Daly City Boys Club," he explained.

The gentleman, who asked us not to use his name, noted he'd like to give more, but was on relief. "Too old to work, you know."

We asked him why the interest in the club?

"Well, I like boys, like to see them happy. That's about all. Figure if they're busy, they'll stay out of trouble. Take me, when I was a kid there weren't boys' clubs. I had a lot of time, too much time. Got into trouble, spent 10 years in prison."

We wondered how many of the 400 boys, former members of the club, might be repeating this same story, say 20 years from now.

Regardless of whether you go to the movies for the popcorn or the stars there's a film on at the Crest next week no one should miss. The movie is "Hamlet," featuring Laurence Olivier and a cast of expert Shakespearean actors. What is so remarkable about this particular Elizabethan psychological thriller is the fact that Olivier, who also directed the drama, stuck to the words of Shakespeare and didn't attempt to edit the play to fit the cameras. Those who have read "Hamlet" will be agreeably surprised to find they can follow the play word for word as they learned it in high school. Another feature, about the publicity . . . we don't recall seeing the word "sex" mentioned once. This, we believe, is by way of a record.

Quote-Unquote: Why all this toil for triumph of an hour? The paths of glory lead but to the grave.

A wise saw which we doubt was ever repeated in a political campaign.

(Continued on Page 2)

Edgewood Terrace Group To Meet

Holding their regular monthly meeting Tuesday at 8 p. m. in City Hall, will be members of the Edgewood Terrace Civic Association.

All those interested in attending, and especially persons residing in Edgewood Terrace and Hillside Manor, are invited, Doris J. Bach, secretary, said today.

"We are especially anxious to have everyone see how our organization operates," Mrs. Bach said. "Through the next few months we are going to make an effort to enlist as many people in the area as possible."

A membership campaign was opened by the club last Tuesday.

It Pays To Advertise Locally In Your Daly City Paper

Ask the people who know. It does pay to advertise local items locally in your Daly City Record and Shopper.

Following is a letter from one of our many satisfied advertisers:

"Thanks for getting my ad in your paper. It was alright, and I had several calls on it. I got a nice young man who wants a nice room and home "eating."

"Anytime I need to run an ad again I will send it to your paper. I had it in a San Francisco newspaper four times, with no results."

CITY COUNCIL MEETS

Councilmen Approve New Westlake Business And Apartment House Division

Holding a brief, special meeting Monday, the city council called for bids on a new water pump, and accepted the map of Westlake No. 3 subdivision.

The map of the subdivision, submitted by builder Henry Doelger, incorporates land on the southern side of Highway No. 1 to be used for a 40-acre shopping center and a site for apartments and duplexes.

There was no indication today when work on the giant business section would begin, although grading is now underway.

When completed the urban center will contain modern shops, theaters and a community center. Near by will be schools and churches.

Present plans call for apartment houses around the center, duplexes next, and then the regular residential homes.

The $110,000,000 housing project, which started the first of last year, will be the site of 5,000 structures, including six-story apartment houses and the large business district.

Only other business of the council Monday was to call for bids on a water pump. The bids must be submitted to the city clerk by April 10.

Meanwhile, in a caucus meeting, the council approved grading plans for improvements on Marchbanks park and for a new Edgewood park. Bids will be called for this work at the next regular meeting of the council, March 27.

COUNTY RECORDER

Miss Ruth Kirste

Veteran County Employee Seeks To Retain Post

Backed by strong support from women and members of Parent-Teacher organizations, Miss Ruth Kirste, San Mateo county recorder, this week started her campaign to retain her post at the June 6 primary election.

Miss Kirste reports she has received many offers of help for her campaign, especially from women's groups.

The present county recorder first went to work for the county 15 years ago as a typist in the recorder's office under the late Clark Rice, who served as county recorder without opposition for more than 25 years. She worked her way through the various phases of the office until at the time of Rice's death she headed his staff as assistant recorder.

She was named to succeed him following his death last year, county officials said, because of her wide experience, efficiency and service to the public.

Miss Kirste was born in Redwood City in 1904, and was educated in the elementary schools and at Sequoia Union High School. She took special business courses and secured her first job as stenographer with a large San Francisco furniture company. When she left after 15 years to come to the county recorder's office, she was secretary to the president of the company.

Mrs. McGeein To Run For School Board Trusteeship

With one vacancy to be filled on the Jefferson High school board of trustees May 19, Mrs. L. B. (Mildred) McGeein, 567 Hillside boulevard, filed for the position today.

Remi Sanders, incumbent and a member of the board for the past 15 years, announced this week that he will not seek re-election. No other member of the board is up for re-election.

An active member of the PTA, Mrs. McGeein has been president of the Jefferson High PTA for the past year.

In a letter to the trustees, Sanders, who has been chairman of the board for eight years, said:

"Just a few lines to inform the members of the Board and Mr. Hannah that I will not be a candidate at the next school election in May, due to ill health.

"The fifteen years as a Board member, eight years as your chairman, have been a great pleasure to me, in helping the youngsters and the community.

"Health permitting, I will not be a stranger at your Board meetings.

"With best wishes for a bigger and better Jefferson High."

The remaining members have expressed their regret that Sanders is not able to continue.

Young Allen Appears Quite Neutral Today

Fond of sweet-tasting liquids 3½-year-old Allen Hickman, 400 Crocker avenue, took a deep swig out of a bottle on a kitchen shelf last Friday afternoon.

His mother came in just as Allen finished off the bottle. Grabbing the child in her arms she called the police, who furnished transportation to Junipero Serra hospital.

Within a matter of minutes, the hospital had "cleaned out" Allen's stomach.

The hospital has no report on the condition of Allen's stomach or hair today, but chances are they are both pretty straight. Contents of the bottle was a permanent wave neutralizer.

World War II Dead Honored At City Hall Sunday

Paying tribute to the 26 local men who died in battle in World War II, the city will put up a plaque in their honor Sunday, March 26.

The marker, inscribed with a simple tribute and the 26 names, will be placed on the wall just outside the door of city hall.

Members of American Legion Post No. 410 and Old Glory Post No. 2044, Veterans of Foreign Wars, will participate in the ceremonies, as will city officials.

The dedication ceremonies begin at 2 p.m. All those wishing to pay tribute to the war dead are asked to be present.

The 26 names appearing on the plaque include: Tony L. Aveggio, Richard G. Bolger, Johan A. Brito, Ernest A. Bueren, Patrick J. Byrnes, Michael Conlon, Bruce McL. Davis, Marshall E. DeSparr, David Grenier, Roy Giusti, Emil Harasin Jr., Lowell W. Hatt, William O. Johnson, Raymond E. Kennedy, Joseph Laveroni, Andrew A. Marcucci, Thomas J. Martin, Russel B. Munday, Robert N. McCune, Frank E. Pate, Thomas R. Richardson, William T. Robinson, Julio Sereni, Albert L. Sundstrom Jr., Victor M. Valverde and Raymond J. Welsh Jr.

CARRY ME BACK TO THE GOOD OLD MINSTREL DAYS

Down on one knee and singing for all he is worth is one of the many minstrel men coming to Daly City for your entertainment March 30. The show is being presented jointly by the Colma Vista Grande Aerie No. 1848, the Ladies Auxiliary and Golden Gate Aerie No. 61. There may be some faces the reader will recognize, but Tom Rae, Eagles' secretary (standing in the rear) is the only name now available. But come to the minstrel show and identify the songsters for yourself.

County Approves D. C. Acquisition Of Thornton Beach

County planning commissioners Friday gave full approval to Daly City acquiring the Thornton Beach property, A. J. Bodien, commissioner, said today.

The county, within the near future, is to deed the 25 acres to the state with the provision that the state will deed it back to Daly City, Bodien reported.

Thornton Beach is located just west of Skyline boulevard near Westlake, and at the present time is undeveloped. Bodien hopes Daly City will acquire the land and at some later date develop it into a first class beach for local residents.

The question remains, however, whether or not the city will annex the property. The council has expressed interest in the project, but will not commit itself until more is known about the beach.

In a recent "Voice of the People," several persons in Daly City appeared in favor of the acquisition.

Three Residents Injured In Wrecks

Involved in three of 23 accidents reported in San Mateo county over the week end were the following local residents:

Mrs. Nora Cabano and Mrs. Leona Resposa of 67 Hillcrest boulevard suffered minor injuries in a head-on crash on the coast highway a mile south of San Pedro Sunday afternoon.

Richard Hansen, 17, 1135 Brunswick street, was treated for minor injuries at Community hospital Sunday night following an accident a half mile south of Half Moon Bay. The car Hansen was riding in hit soft gravel and overturned.

A. M. Douglass, 608 Eighty-seventh avenue, was not injured, although his car, parked in front of his home, suffered damage when a runaway vehicle hit the side of his automobile Saturday night.

Eagles Old Fashioned Minstrel Show Coming To Daly City March 30

Third Annual May Day Celebration Plans Underway

When the giant May Day parade winds through Daly City on May 7, 20 pure bred Arabian horses will be in the lead.

Eddie Allen, parade chairman, said today that he had lined up the Arabian Horse Association for the march. In addition there will be some of the finest horses in all California taking part, Allen said.

The parade will be the opening event in an all day celebration which will conclude with a giant pageant at the Jefferson Union High school.

Allen asked all those interested in participating in the parade to contact him through Mayor Paul Green's office at JUniper 5-0850.

In addition to the marvelous horses, Allen also hopes to have several large floats, drill teams, bands, marching units and youth groups.

"This should be even better than the St. Patrick's Day parade in San Francisco," Allen noted.

Meanwhile, reports coming in from various chairmen in charge of the pageant show progress is under way in all departments, Mrs. Helen Cheatham, pageant official, said.

"It is evident that everyone is taking an active interest in making this year's event one of the greatest," Mrs. Cheatham said.

Search for a queen and her attendants is well under way in all the Jefferson Elementary school district, and the exciting news of who the new queen will be, will be heard around the country-side about April first, according to Mrs. Henry Adami, who is May Queen Chairman.

Black faces, banjos and booming voices . . . all will be part of the giant Eagles minstrel show coming to Daly City Thursday, March 30.

Jointly sponsored by the Colma-Vista Grande Aerie No. 1848, the Ladies Auxiliary and Golden Gate Aerie No. 61, FOE, the show will begin at 8:30 p.m. in Masonic Hall, 17 Hillcrest drive.

Experienced minstrels, members of the Golden Gate Aerie promise hours of wonderful entertainment. Included in the program will be the songs made famous by Stephen Foster and Al Jolson, as well as jokes, both old and familiar and new and fresh.

Local talent in the event will be furnished by Tom Rae, Eagles' secretary, who is rumored to play a "mean" piano.

All proceeds of the performance are to be sent to the Eagles' National Memorial Foundation.

Purpose of the Memorial Foundation is to pay tribute to veteran members who gave their lives for their country during the last World War. The Foundation was established as a "living" memorial to the children of the veterans by assuring the necessary health and educational needs of these war orphans.

The Eagles are now "daddies" to a large family of sons and daughters. These children receive the best of health care in their own home towns all over America from their own family doctors, dentists, and hospitals, and the bills are paid by the Eagles' Memorial Foundation.

Since only a limited number of tickets will be sold any one interested in attending this fine performance should secure admissions immediately from either the Ladies Auxiliary or the Aerie.

Tickets also are available at the Secretary's Office, 6272 Mission street.

Committees in charge of the event are Wilbert Carrington, Edward Duncan and Tom Rae from the Aerie, and Edrie Summers, Loretta Bertelli, Edna Mona, and Dolly Davison from the Auxiliary.

ARE 400 BOYS WORTH A CIGARETTE?

A kid with a big smile, a shock of uncombed hair and a freckled nose is closer to having a place to play today, thanks to a score of residents who remembered they had a heart.

These are the people—eight by count—who last week pledged support to reorganizing the now defunct Daly City Boys Club. They believe the club, which kept some 400 boys off the street, is worth the price of a carton of cigarettes.

That's right—if just 200 persons would donate the price of 400 cigarettes the Boys Club will again be an active part of this community.

All that is needed is $192. Can you forego a smoke this month to keep the kid off the streets, out of trouble, out of jail?

He's my kid, your kid, the kid next door; he's mighty important, and at least worth a cigarette.

If you agree, let us know. Call the Daly City Record, JUniper 7-4321.

It all depends on you. The Daly City Boys Club is going to reorganize to give that kid a place to play, but it needs your support.

Phone Numbers Change This Week For Many Residents

Approximately 3,000 residents in Colma, Broadmoor and Daly City have a new phone number today, following the opening of the PLaza 5 dial office last Sunday.

The new Pacific Telephone and Telegraph office opened at Bryant and Washington streets, Colma, Roy N. Buell, division manager for the company, announced.

Buell reports the new $1,400,000 office will provide for telephone growth in the southern part of San Francisco, Colma, Broadmoor and Daly City.

Within the next several months, approximately 1,000 of the 2,800 manual telephones in San Francisco will be changed to dial. Also, by summer many JUniper 7 numbers in Daly City will have the new PLaza 5 prefix.

LOCAL SUPPORT NEEDED

Last Attempt Will Be Made To Give 400 Youngsters A Chance To Play

(See editorial "Are 400 Boys Worth A Cigarette?)

Hopeful smiles could be seen on the faces of hundreds of boys today with the announcement that the Daly City Boys Club is going to reorganize.

E. W. Gray, former club official announced a last effort would be made to gain support for the organization which closed down last month for lack of funds.

Fittingly enough, the announcement came as the nation was celebrating National Boys Club Week.

But to reorganize the club it will be necessary to form a new board of directors. Gray hopes those women, who over the past week have shown interest in the organization, will take a lead in forming the board.

MONEY NEEDED

Also needed is a small contribution, and pledge of funds, from Daly City merchants and residents.

It will take but $200 to get the club back on its feet, Gray said. To-date only eight civic minded persons have made pledges of money.

This means that $192 is still needed.

All those wishing to contribute are asked to contact either: Daly City Record, JUniper 7-4321; Lombardi's Service, corner of Theat and Mission; Shannon Hardware, 6370 Mission.

WANT ORGANIZERS

More important, however, those women, men, or organizations willing to help reorganize the club are asked to contact the Daly City Record, at the aforesaid telephone number, or at the office, 3317 San Jose avenue.

"Above all we need some real organizers, some persons willing to give a few hours of their time to help us get the Boys Club back on its feet," Gray said.

Backing up his statement of several weeks ago, Frank Lombardi said the club may still use its old meeting place free of charge.

How about the other merchants? Each week the Record will print the names of those business men and individuals who are willing to support the club.

In addition to Lombardi, Al Arnaudo, Gray, Earl Madden and Bill Clarke have pledged their full support to the club.

THOSE WHO GAVE

Residents who last week said they would be willing to help the club include: L. E. Bradford, 535 San Diego; Mr. Lemon, 267 Los Olivos; Jack Jaymot Jr., 36 Miriam street; Mrs. Dora Black, 109 San Diego; M. W. Linton, 170 Los Olivos; Joseph Lorenzo, 644 Hanover; Mrs. Whinnen, 884 Brunswick; Mr. and Mrs. Goetter.

Let's see 192 more names. Remember, if you wish to back this worthy organization merely call the Daly City Record, JUniper 7-4321.

MRS. GOETTER SPEAKS

Following is a letter, along with $1, sent in by Dorothy Goetter, a woman who wishes to support the club:

So we sit and sip our morning coffee, Papa and I, and we read the article by Mr. Tom Bocci.

Last week we sat and supped—our morning coffee and read of Daly City Parent Delinquents.

Who are the future leaders of our civic affairs, citizens and voting residents of our town? The kids of course.

But I haven't got any children or my Harry belongs to the Scouts or I have already contributed so much to other things like Red Cross, Cancer, Community Chest, March of Dimes (you may say to yourself). I pay taxes to let those who make it their business look after those kids. Where does contribution end or is it endless?

Whatever your excuse, you will miss the main issue all together. If you are a resident of this area, a parent, a taxpayer, the most important thing of all is: why don't you contribute something to yourself?

Does that sound foolish? Who is the stockholder of our good government, who owns interest in a city's reputation, whose children will manage those affairs when they are grown and who will profit most by good government, management and the voting residents or a poor and indifferent management?

Anyway you want to look at it it's your own reaction of a plea for help. The seeds we sow today we reap in the harvest of tomorrow.

This is not only a problem for parents alone. It belongs to everyone. When you shirk your duties as a citizen of your community, one usually ends up by paying through the nose.

How about making Saturday night Hamburger Night. No? Well, my best to the boys club—my dollar is in. How about another hamburger there, Pa, and pass the onions and some mustard please.

Signed: Dorothy Goetter

Many Amateurs Try Out For Lions Youth Show May 2

Cognizant of the present juvenile delinquent problem in Daly City, the local Lions Club will use all funds raised from its amateur show, May 2, to support youth groups.

The show, featuring Daly City area amateurs, is to be held at the Daly City Theatre Tuesday evening, May 2.

During the past two weeks local talent has been trying out for the show, and Elio Fontana, Lions Club president, reports this will be the best such event in the three years the club has put on the shows.

In addition to amateurs, Dan Anderson, theatre manager, said there will be a first run movie shown.

Tickets may be obtained at the theatre; from any Lions Club member, or by mail from John Grandy, 6422 Mission street.

Anderson clarified another point today:

"While this may be an amateur show, much of the talent we've previewed is of professional status. Therefore, the event might more properly be called a review."

Names of those taking part in the review will be published in the Daly City Record within the nuear future.

Children Keep Firemen Busy

Firemen answered two false alarms over the week end, both turned in by children, one of whom was only 3½ years old.

Both alarms came Friday afternoon at 3:25 and 5:20 p.m., respectively. The first box was pulled by three seven-year-old boys. When hose hoisters arrived at San Pedro avenue they found the three sheepish-faced boys around the box. The lads were turned over to their fathers for further "action."

Acting on an impulse a 3½-year-old girl turned in the second alarm at Bismark and Wyandotte. She explained she had seen the handle on the box and wanted to find out what would happen if she pulled same.

VOICE OF THE PEOPLE

Several people in Daly City were asked this week:

Would you be willing to give your support to a Daly City Boys Club?

Mrs. S. Westphal, 259 Miriam—Such a club is desperately needed, and we are willing to help support it.

Mrs. Melvin Morris, 539 San Diego — I would be willing to devote time to help a Boys Club, which I feel is really needed in the Daly City area.

Mrs. Rufus W. Rogers, 160 San Diego—I believe children must be given proper care, and it just isn't up to the police. I also believe in a curfew being enforced. However, the children must have an opportunity to play, and I think the best way is through a Daly City Boys Club.

Frank Ferris, 444 Vista Grande —I believe we should have a Boys Club and would be glad to contribute towards establishing one here in Daly City.

Pete Bordson, 614 Templeton—The sure way to cut down on juvenile delinquency is to lend full support to a Daly City Boys Club. I'm all for such an organization, and hope to see it get back on its feet.

Letter To The Editor

Lions Club President States Show's Purpose

"It is not difficult to prevent hoodlumism. It is only necessary that we recognize the excess energy possessed by all youth. If we keep this in mind and direct those energies into wholesome channels, we will have licked the problem before it arises.

"Although the theory is just that simple, it is not easy to put into practice because of the lack of glamor in this work. We are generally inclined to wait until a crisis develops before we become sufficiently alarmed about any situation and attempt to do something about it.

"At the present time we have no real hoodlum problem in this area. Those who do step outside the bounds of the law are quickly taken care of by our very capable law enforcement agencies. There are several state agencies that are responsible for the rehabilitation of these who become wayward, but it is neither right nor desirable that we put a premium on delinquency.

"Prevention, rather than cure, is the goal we are aiming for. This is a function of our schools and recreational directors who are doing a wonderful job, but they cannot do it all. They MUST have outside help.

"Many service organizations in this area are actively engaged in youth activities. Among these, the Daly City - Colma Lions Club has been quietly sponsoring youth groups for many years. In order to obtain funds for this work, the club once each year takes over the Daly City Theatre for their annual youth benefit show. All proceeds from the show go into their youth welfare fund to carry on their work in this field.

"If past performance is any indication, the show alone will be well worth the cost, and the Lions have promised that this year's show will be bigger and better than ever before. The show will be held at the Daly City Theatre on Tuesday evening, May 2. Tickets may be obtained from Lion members, from the theater, and by mail from John Grandy, ticket chairman, at 6422 Mission street."

Signed,

ELIO FONTANA
President, Lions Club

Tom Bocci Thanks Red Cross Contributors

As chairman of the Red Cross campaign for the South San Francisco area, let me extend to all Red Cross workers of Daly City and to each resident and businessman who have made a contribution, my heartiest congratulations for the fine progress shown to date.

Unquestionably, the continued diligence and cooperation of our community to this most worthy cause in the last two weeks of the Red Cross campaign will find Daly City meeting its quota without difficulty.

The work of the Red Cross has become widespread in its ever-widening activity among those groups of people who have suffered through disaster and the other needs of our civilized world. The needs of those people in distress is our responsibility and through the efforts of the Red Cross, our responsibility to our fellow citizens will have been met.

Every contribution made, is in fact a contribution to our own family, community and fellow citizen. The Red Cross drive will be over shortly. Let me urge each of you residents of this area to devote an additional effort towards meeting this goal. Those who have not yet contributed should contact their Block worker immediately. To those who have contributed and to those who have worked actively towards the success of this drive, I wish to extend my commendation for their unselfish devotion to the work of the Red Cross.

Signed,

TOM BOCCI

Council To Fight Lomita Annexation

Plans for an all-out fight to block annexation of Lomita Park to San Bruno were made at a recent meeting of the Lomita Park Community council.

The council asserted it does not feel that Lomita Park should annex with any city at the present time.

Taxes are the outstanding issue in the annexation question. The council believes annexation either to San Bruno or Millbrae is not necessary to gain proper sewage outlets, and would actually mean an increase in taxes.

Census Important To State Vets

The United States Census enumeration which will get underway shortly is of particular importance to veterans, according to Floyd D. Granger, veterans service officer, because it will have a long-time effect on the allocation of federal facilities and other matters directly affecting ex-servicemen and their dependents.

"This census," Granger said, "will settle a number of arguments that have been going on regarding the veteran population in various parts of the nation. California, for ...ple, claims that the central ...ffice of the Veterans Administration in Washington underestimates the total number of veterans in this state by nearly 400,000, and therefore short-changes us on VA hospitals and other facilities."

The census enumerators will not ask a question about veteran status in very household, Granger added. That question is one of the group to be asked of every fifth person over the age of 14, and then only if that person is a male. Census officials have stated that this sampling method will yield accurate results.

AROUND TOWN

(Continued from Page 1)

Glenn Tyler, a former resident of Daly City, made the pages of the Daly City Record two weeks ago, but no one knew about it except Eddy Allen, 6754 Mission. Eddy, director of the May Day parade, recognized a picture of his friend on the back page of the paper. The picture was sent from the east and showed an unidentified cowhand aboard a bucking cow. The rodeo expert, Eddy assures us, is none other than Glenn, who was well known around town for his ability to handle anything on four legs. All of which goes to prove that there is nothing in this paper that doesn't interest someone.

Diogenes look no further. We have an honest person in Daly City, who Monday returned a lost $10 bill to its rightful owner. Jeanie Moore, 5-year-old daughter of Mr. and Mrs. Moore, 29 Bismark street, found the $10 in a wallet as she was walking home from OLPH school. Fortunately, there was an honest heart beating in the breast of young Jeanie and she turned the money and wallet over to her parents, who, via an indentification tag, found the owner.

Signs of the Time: Ridgely Cummings, columnist for this paper, is editing a new literary magazine, **comprehension**. . . There are 6,850 persons in town who will be kings for a day April 11; they are the number of voters in Daly City. . . Navy recruiters report that while once they had to turn men away, there are now plenty of hammocks available. . . The county needs 3,500 election officers in the June 6 primary. . . A controversy whether or not you can see your eyes moving while looking in a mirror. We'll bite, is it possible?

With the recent switch in phone numbers from JUniper to PLaza in the Daly City area, many a gent with a little black book has been doing some hasty revising. One of these, an acquaintance of ours, not only changed a JUniper number to a PLaza prefix Sunday, but also added another number. That's right, in the confusion, and talk with the telephone operator, the lad managed to talk fast enough to arrange a date with the mellow-voiced lass on the other end of the line. Strictly verboten by the telephone company, but, after all, March 21 was the first day of spring.

Warning: This isn't a pleasant subject, but police report that recently some unsavory characters have been molesting women after they get off the "owl" buses in Daly City. Whenever possible, have someone meet you at the bus, or a gentleman along for protection, Chief of Police W. W. Sunderland said today. We imagine most young ladies will prefer the latter protection.

The famed 1st Infantry Division —now stationed on occupation duty in Germany — is the oldest active division in the U. S. Army today.

GIVE NOW TO EASTER SEAL DRIVE

Film Actress Irene Dunne listens as tiny patients Henry Ochoa and Patricia Edmondson tell her about Easter Seals. Both youngsters are aided by the Crippled Children's Society which is supported by funds raised each year from gifts received for Easter seals. The current county campaign has a 1950 goal of $26,300 and will continue until April 9.

1,884 Rental Increases Noted

Bay Area landlords received rent increases on 1,884 rental units averaging $5.58 during February from the San Francisco Area Rent Office, William A. Bledsoe, local area rent director, said today.

During the same period, Bledsoe said, San Francisco Defense-Rental Area tenants received refunds of rent overcharges totalling $24,642.80.

Voluntary settlements by landlords, after tenants' complaints were investigated and found valid by the Office of the Housing Expediter, accounted for $20,071.73 of the refunds. The other $4,571.07 in refunds came by orders of the federal court on cases where the Office of the Housing Expediter sued following refusal of thirteen (13) landlords to make voluntary settlements. The courts also ordered violating landlords to pay $501.86 to the federal treasury.

Bledsoe said that his office had received 620 petitions for rent increases during the month, and processed 745. Of these, 631 or 84.6 per cent were granted. The increases granted during February upped the rental incomes of San Francisco landlords by $10,512 or $126,144 a year.

Bethel Drill Team To Entertain

Special attraction at next week's meeting of Bethel No. 26, OJD, will be a demonstration by the prize winning drill team which took first honors at the Job's Daughters convention last November.

The meeting is to be held Friday, March 24, at the Mission Masonic Temple, 2668 Mission street, at 7:30 p.m. All members are invited to attend.

La Vern Sowles, as captain of the drill team, promises the evening will be one well worth remembering as the team has worked out several interesting demonstrations.

Meanwhile, officers of Bethel No. 26 will participate in church services on Sunday morning, March 26. This is a semiannual affair of the Bethel, and all officers are requested to be present.

Training provided Aviation Cadets of the U. S. Air Force has an estimated value of $35,000.

Today's modern Air Force is a highly technical organization in which every man is trained to become a skilled specialist.

High School Grads May Now Enter Navy Schools

The Navy assures qualified high school graduates of a course in one of its many vocational schools upon completion of their basic recruit training.

In addition to basic submarine and airman schools there are over 30 other schools available.

Suppose you're interested in aviation. If you're a high school graduate it's simple. All you do to get into naval aviation is to walk into your Navy recruiting station and tell them that you want to go to aviation fundamentals school. Since only the best men get chosen you will then be given various test to find out if you're one of the best. If you pass these tests and are between 17 and 31 years old you will be sent to the Navy's aviation fundamentals school as soon as you finish recruit training.

If you make good in the fundamentals school the field opens up for you and you get an early start into the air age. You'll begin to specialize. For instance, there's the aviation machinist's mate school in which you will first learn the overall principles and practices of all phases of aviation engines.

But naval aviation isn't exclusively for high school graduates. It doesn't make any difference how much education you've had — if you can pass the tests you can make the grade.

For complete information on this program telephone or visit your local U. S. Navy recruiting station, Post Office Building, San Mateo, phone DI 4-2781.

Old Age Payments Made Regardless Of Other Income

Payments of old age insurance or survivors insurance under the Social Security Act are made regardless of income from other sources.

There is only one thing to be reported, and that is earnings in jobs covered by this social insurance system.

Edward J. Foley, manager of the Federal Security Agency office in San Mateo, states that many inquiries are received asking if rent income, pensions from other sources, or the like, would stop the social security payments.

"The only stipulation in the Social Security Act is that if anyone receiving monthly payments should work in jobs covered by social security such work should be reported. The limit of earnings in such jobs is $14.99 per month, although pending legislation may increase that limit to as much as $50," Foley said. "Other than for work, the source of the additional income makes no difference. It may be a veterans pension or it may be unemployment compensation, or from a local retirement program.

"We urge every one reaching 65 to inquire of us about his or her own status. These matters will then be made clear, and claims filed on time and paid in full."

The San Mateo office of the Federal Security Agency serves residents of San Mateo county. It is located at 42 North B street, San Mateo, and is open from 9 to 5 Monday through Friday. Service is provided at the courthouse in Redwood City every Thursday from 11:30 to 1:30, in the County Veterans Service Office.

Also, each 2nd and 4th Wednesday of every month, service is provided in South San Francisco at the California Department of Employment, 215 Linden street, from 11:30 to 1 and at Daly City at the city hall, Judge's chambers, from 2 to 3 p.m.

The State Department of Agriculture was created by the California Legislature in 1919.

U. S. Civil Service Examinations

Following is a partial list of open United States Civil Service examinations which are given publicity throughout the State of California. The necessary application forms may be obtained from any first- or second-class post office except in San Francisco, where these forms may be obtained at Room 128 Appraisers Building, 630 Sansome Street. For examinations which are given publicity in a limited area the bulletin board in the above offices should be consulted.

Title	Salary	Date of filing
Soil Scientist	$3,825 and $4,600	March 6
Student Nurse*†	752	April 4
Agricultural Research Scientist	3,825 to 8,800	To be announced

TWO TO RUN FOR COMMISSIONER

Incumbent Armando Ferraris To Oppose Tom Jenkins; Murphy Drops Out

Simultaneously this week, Vincent P. Murphy dropped out of the Broadmoor - Colma Police Commission election, April 3, and incumbent Armando Ferraris announced his candidacy.

This narrows the field down to two men. When voters go to the polls they will be asked to choose one man for a three year term on the Broadmoor Police Protective District commission.

Opposing Ferraris will be Tom Jenkins, 29, 1148 Nimitz, attorney for the Broadmoor Property Owners Association. Jenkins stated he would present his platform in next week's Daly City Record.

When Murphy, 31, 516 Midway, announced he would not seek the commissioner job, he requested that "all my supporters get behind Jenkins in the coming election."

Meanwhile, Ferraris, 28, rt. 1, box 386, Colma, stated:

"I am pledged to bring better police protection to the Broadmoor area, and carry on the good work of the commission in safeguarding the lives and property of persons in the greater Broadmoor district."

The young World War II veteran was elected to a one year term in 1949. He is the only member of the commission up for re-election.

A resident of Colma for the past 25 years, Ferraris is prominent in the produce business. He is on the San Mateo county board of the Farm Bureau and a county committeeman for the National Produce Market Administration.

He is a member of the American Legion, Broadmoor Post; Italian-American Club and the Lions.

Ferraris asserted that everyone should vote, as the police commission is in charge of the unincorporated areas of Colma, Broadmoor and Garden Village, and is of direct concern to everyone living in the district.

While the two candidates prepared for the coming battle, Murphy, in a letter to the commisioners, stated why he has dropped out of the election:

"It is with deep regret that I must submit my notification of withdrawal from the coming election for Police Commissioner of the Broadmoor Police Protective District.

"In doing so, I wish it distinctly understood that, despite current rumors, I do not admit that I have not the legal right to campaign and to hold the office of Police Commissioner. I am merely withdrawing from this election to protect an investment in the future that I have spent some years in building up, and I have no intention of allowing any supporter of a rival candidate to imperil that investment.

"You may be assured, however, that I shall maintain a deep interest in the workings of the Police Commissioners of the Broadmoor District."

Signed: Vincent P. Murphy

Colma Grave Diggers Still Threaten Strike

Still unsettled today is whether or not the Colma cemetery workers are to go out on strike.

Latest development in the controversy is an assertion by the San Francisco Central Labor Council that they will assist the AFL cemetery workers in negotiations for a 10-cent hourly pay raise.

Last week the union asked the central labor council for a strike sanction against the Associated Cemeteries, an organization that includes all the Colma cemeteries as members.

The grave diggers, in addition to the 10-cent hourly pay boost, have requested retention of present contract terms pertaining to rainy-day layoffs, and a welfare plan.

Garden Village Almost Over Top

Contributions to the Red Cross in Garden Village have passed the 75 per cent mark, G. W. Irvine, chairman, announced today.

In charge of collecting the funds is Ralph Damon, who may be reached at JUniper 4-5128.

The combined quota for the Broadmoor-Colma-Garden Village area is $1,660.

No report was forthcoming this week on the success of the drive in either Broadmoor or Colma.

However, those wishing to contribute in Broadmoor are asked to contact American Legion Post No. 824 at PLaza 5-3649.

Legion Bowlers Beat San Mateo

Keglers of the Broadmoor American Legion Post No. 824 threw a monkey wrench in the San Mateo Bowlers league last week by downing the San Mateo championship team.

This job was done by Broadmoor team No. 3 which conquered San Mateo team No. 2. Until then, the San Mateo lads had the league championship almost won.

Now, however, they will have to win with Burlingame for honors. Although not finishing in the first ranks, the Broadmoor boys at least have the satisfaction of beating the would-be champs.

April 15 a banquet is to be held in Redwood City at which time trophies will be awarded the winners in the league. All legion bowlers are invited, as well as their wives.

Expense Paid Reno Trip To Be VFW May 13 Dance Prize

An all expense paid trip to Reno will go to some lucky person who attends the Lake Merced VFW Post No. 9921 "Night Club" dance which is to be held in Colombo Hall, Jack Kelleher said.

But everyone who attends the giant affair will be a winner of fine entertainment and good music. The famed Tony Martin band will be on hand to supply the music.

All money from the dance will be used to further the work of the VFW post in the Broadmoor area.

Tickets may be purchased from any VFW member or by calling at 1727 Louvaine drive.

Meanwhile, the dance social held last Thursday at the Broadmoor Community center was hailed a great success today. The next dance is expected to be open to the public.

Folk dancing fans will be glad to learn that the Post is now working on plans to bring a folk dance instructor to Broadmoor. He or she is expected to be at the next meeting of the Post.

Prayer Is Topic Of Sunday Sermon

Sermon topic at the Broadmoor Community Presbyterian Church this Sunday will be: "Prayer and Practice."

Services begin at 11:15 a.m. The Rev. John Glasse will deliver the sermon.

Meanwhile, Rev. Glasse asked all those interested in singing to turn out for the special Easter choir. This group will sing appropriate songs at the special Easter services. Those interested are asked to contact Memory Gomez at DE 3-3476.

Also this week, Rev. Glasse announced that at 4 p.m. Palm Sunday, April 2, special services are to eb held for the baptism of children.

Easter services will be held at 8 a.m. April 9, with the regular morning worship following at 11:15 a.m.

Hog Trucks Move Off Bruno Avenue

The hog trucks of Bruno avenue have moved back on the ranch, residents in the area report today.

Mayor Paul Green confirmed the rumor, saying the trucks of the Consolidated Hog Co. had moved last week.

The company was supposed to have moved January 1, but delays held up the action until March.

Residents objected to the trucks as they asserted they were a danger to children, and also an alleged health menace.

COLMA --- BROADMOOR GARDEN VILLAGE

Colma Council Expected To Reject Permit For Drive-In Theatre

A certain thing, unofficially, today is that the Colma City council will NOT grant a building permit for a $150,000 drive-in theatre in Colma.

At a special meeting Tuesday, the council turned over the application of Antonio Condi, local produce man, to the city planning commission.

The commission is to consider Condi's request and advise the council as to what action to take. A Colma official said the commission will meet sometime within the next week.

Officially the council is expected to reach a decision at their next meeting, April 12.

Unofficially, however, the decision of the commission is expected to be against the drive-in theatre. Members of the commission are: Brad Welch, florist; Gilbert Parker, superintendent of a cemetery and John Price, another superintendent.

The members are all closely aligned with the Associated Cemeteries of San Francisco. The association, which owns 75 per cent of the property in Colma, is opposed to the theatre.

Consequently, the opinion of the commission is expected to follow closely the opinion of the Association.

Also strongly opposed to the theatre are the secretary of Highway No. 10 and the state department of highways.

Meanwhile, Condi filed a writ of mandate in superior court this week which seeks to compel the council to issue the building permit. Condi asserts the council has delayed unnecessarily in taking action. Action on the writ has not yet been taken.

Meeting this challenge, the council Tuesday also called on city attorney Hal Cowlin to draw up a special emergency zoning ordinance. At present Colma has no ordinance to ban the drive-in theatre, or any other such commercial unit.

The zoning ordinance is expected to provide the adequate law to handle the situation, a Colma official said. However, it wasn't clear whether this could be used against the theatre, as the permit was requested several months ago.

Site for the proposed theatre is just north of the Woodlawn cemetery between El Camino Real and Junipero Serra highways.

This, in the opinion of the Associated Cemeteries, is too close, as expressed in a resolution of November:

"That in the sincere interest of maintaining the peace and dignity of the Memorial properties, to prevent possible vandalism, and to eliminate the possibility of creating a dangerous traffic hazard, the Associated Cemeteries do hereby go on record as being strongly opposed to the grantng of an application for the construction of an outdoor theatre within the township of the City of Colma."

Protests of the highway department and highway district No. 10 were based on highway safety requirements that could not be met if the added theatre traffic were attracted to the proposed theatre site.

Westlake Woman Injured Saturday In Auto Accident

Accident corner, the intersection of Junipero Serra boulevard and Highway No. 1, accounted for two more wrecks this week end.

In a collision of two cars Saturday evening, Mrs. Evelyn Gomez, 27, 30 Cliffside drive, suffered minor cuts when she struck her head o na dashboard, hospital authorities report.

Mrs. Gomez was riding in a machine driven by Edith G. Dias, 25, 831 87th, Colma. Driver of the other vehicle was Mrs. Eleanor M. Swanson, 57, 1105 Jackling drive, Burlingame.

The Dias auto was hit on the right side as it was coming north, and the Swanson machine sustained damages on the right front as it was coming south on Jnipero Serra.

The second accident occurred Friday night when a car driven by Nelio Vannucci, 40, 33 Cliffside drive, collided with a machine driven by Bonifacio V. Maldanado, Rt. 1, Box 279, Colma.

Neither of the two men was injured, although both cars will need repairs, police said.

Cub Scouts Hold Meeting Tonight

Meeting at the Broadmoor Community Center, tonight, March 23, at 7:30 p. m. will be members of Cub Scout Pack No. 84.

Principal business of the evening will be the awarding of badges to cubs. The names of those receiving badges will be printed in next week's Record.

Meanwhile, Wednesday the cubs of Den No. 1 had a picnic supper at the home of Mrs. Adelaide Schweitzer, 1756 Sweetwood to get acquainted with their new den mother, Mrs. Joan Tomlinson.

The food for the meal was prepared by the boys of the den.

Connecting Street Discussion Coming Up At School Board Meeting

Either the Jefferson elementary school board approves a connecting street between Broadmoor and Westlake, or they will have to look elsewhere for an upper grade Garden Village school.

This was the gist of a decision by the county planning commission last Friday, A. J. Bodien, commissioner, reported today.

The commission stated it would not give up White street, which runs through property proposed for school use, until some alternate connecting route is worked out by the school board.

In conclusion, the commissioners stated they would be glad to meet with the school board at that body's convenience. The date for the meeting probably will be set by the board when they convene tonight, March 23.

While Mike Callan, board member, has come out against any connecting street, the majority opinion seems to be in favor of such a road, Bodien said.

Probably the new street will be put in about 300 feet west of White, which may mean the moving of two homes on 87th, and run almost perpendicular to the proposed border of the new Westlake commercial district, thence swing west and connect with the intersection of Highway No. 1 and Skyline boulevard.

Proponents of such a street claim it is necessary to facilitate faster and safer transportation between Broadmoor and Westlake. At the present time residents must go to Junipero Serra boulevard before either housing division may be reached.

On the other hand, Callan asserts such a connecting street would be a traffic menace and would do more harm than good.

Religious Films At Broadmoor Church Sunday

Sunday, March 26, the last of the present Sunday school quarter, instead of the usual lesson at Lutheran Church of Broadmoor Sunday School, an illustrated review lesson will be given, highlighting the Passion accounts of the Bible, by means of a film strip.

All Sunday school children of the church are urged to be present. Opening will be at the usual time, 9:45 a. m.

Church services which are conducted for children as well as adults begin at 11 a. m. at the present temporary place of worship, Community Recreation Center, White street off 87th street in Broadmoor Vilage.

Persons who do not want Lent to go by without attendance at a mid-week Lenten service, may be happy to know that they still have a chance to worship at a Lenten service in 1950.

The sixth and last of the series on the general topic "Behold The Man," will be held next Wednesday, March 29 at 7:30 p. m. at Lutheran Church, Community Recreation Center at Broadmoor.

Wednesday's topic is: "Behold The Man In His Warning!"

FISHING GROUND HOLDS 2500—Maltese cross outline in dye on ice is the happy fishing ground for 2500 men and women who take part in the annual Veterans of Foreign Wars-sponsored contest at Forest Lake, Minn. Leaving cars parked just outside, they stepped into the pattern and fished to their heart's content.

Stars of "Hamlet" Prepare for Climactic Scene

Laurence Olivier confronts Basil Sydney and Eileen Herlie, while Jean Simmons looks on, as the dramatic "play within a play" scene of "Hamlet" begins, in the Olivier production of Shakespeare's great tragedy coming March 29 and 30 to the Crest Theatre.

Laurence Olivier's Academy Award winning film, "Hamlet," will open at the Crest Theatre Wednesday, March 29, for a two-day performance, it was announced today.

A special matinee showing of the film will be given at 12:30 p.m. Wednesday at reduced prices for all students in the area.

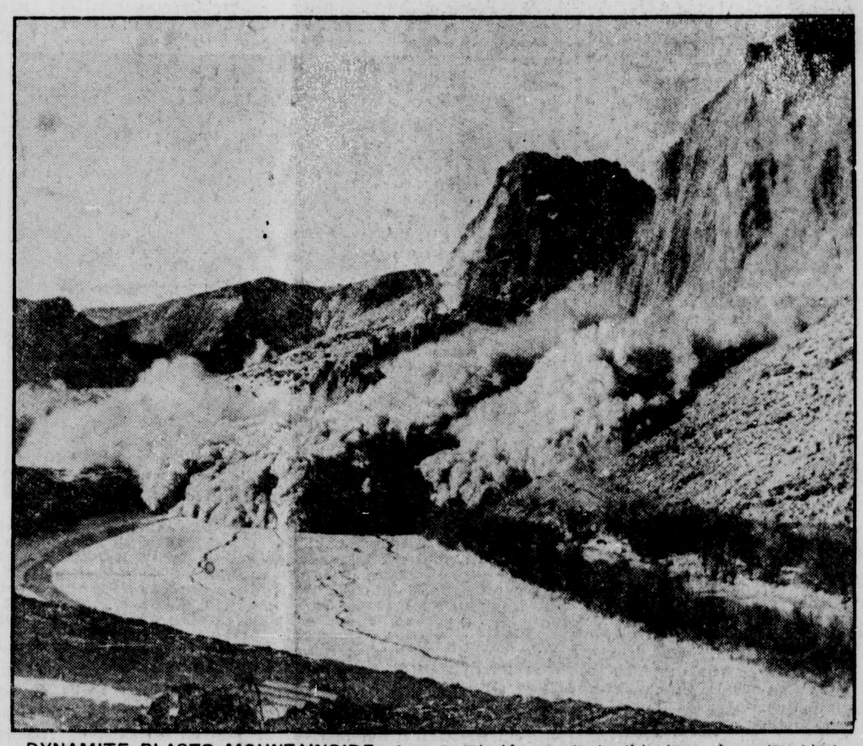
There will be two evening performances. Each will begin at 8 p.m. Prices have been cut so the movie is now within the reach of everyone in the area.

The film, which won the Academy Award as the best picture of the year and also won for Olivier the Award as the best actor of the year, is a J. Arthur Rank Enterprise. It will be shown here at continuous performances. There is a special rate for students of 74 cents.

"Hamlet" is the second Shakespearean film made by Olivier to win an Academy Award. His "Henry V" was also widely acclaimed and won a special award in the year in which it was released.

Olivier once again performs a three-fold role in "Hamlet"—star, producer and director. Joined with him in the distinguished cast are Jean Simmons as Ophelia, Basil Sydney as King Claudius, Eileen Herlie as the Queen, Felix Aymer as Polonius, Norman Wooland as Horatio and Terrence Morgan as Laertes.

William Walton composed the original score, with Roger Furse as production designer and Desmond Dickinson as cameraman. Universal-International is distributing the picture.



DYNAMITE BLASTS MOUNTAINSIDE—A mountainside erupts in this huge dynamite blast pictured at Boysen Dam, Wyo. More than 198 million pounds of rock were thrown loose by the 32 tons of dynamite used. Note the thick ice cracking in the Big Horn River at the mountain's base. An idea of the explosion's scale can be gained by noting the full-sized trees along the river bank.

LOTS OF HOT WATER WHEN YOU HAVE "extra gallons" ON HAND...

Can you do "a whopping big washing" in your home without running out of hot water? Or do you have to limit the size of the washing to the size of your water heater?

Those are two good questions to ask yourself when planning a new house or when you are replacing the present, old water heater in your home. Too often, a 20-gallon water heater is put into a home where the hot water needs require a 30- or 40-gallon heater.

Did you know that it takes 20 to 30 gallons for washing clothes and an average of 15 to 20 gallons for a shower? So if you are buying a new water heater make sure you select one that is "sized up" to your family's needs.

CHECK YOUR FAMILY'S HOT WATER REQUIREMENTS

STORAGE-TANK SIZE GUIDE

Bathrooms	Bedrooms	Tank Capacity
1	1 or 2	30
1	3 or 4	40
2	2 or 3	40
2	4 or 5	50
3	3	50
3 or 4	4 or 5	75

How to Buy Your Next
GAS WATER HEATER

1. PROPER SIZE: A fully adequate water heater costs so little more now, and will save you from having to make costly replacements later.
2. QUALITY MAKE: You will get longer, better service when you buy a top-quality automatic gas water heater that carries a manufacturer's guarantee.

Eagles' Teen-Age Guest Dance At Aerie Hall This Saturday

Another in the ever popular Eagles' Teen Age dances is to be held Saturday, March 25.

As usual, the dance is to be held in the Colma Vista Grande Aerie No. 1848, FOE, hall at 3346 San Jose avenue. Music, which begins at 7:30 p.m., is to be furnished by the popular Eagles' band.

While tickets to the dance are only available to children of Eagles or the Auxiliary, the young folks may bring any number of friends.

Membership cards for the dance are available, free of charge, at the Colonial Gift Shop, 6272 Mission. Those wishing to attend are asked to get their tickets early.

Meanwhile, the last guest night is reported to have been a grand success, with 74 young people in attendance. As the dance was so thoroughly appreciated, it was decided to have another dance this Saturday.

Only one thing . . . Eagles' children are asked to bring guests who are 12 years old or over.

Police Have Bats In Their Jail

Bats are literally in the police station today.

Two of the radar flying rats were turned over to officers Wednesday evening by Emil Gavelli, 113 Vale. Gavelli found them flying around in his house.

Chief W. W. Sunderland reports these are the first bats, of the flying order, that he has met since he joined the force many years ago.

The furry little creatures are to be destroyed, Sunderland said, as they constitute a health menace.

Crocker P. T. A. To Meet Tuesday

The Crocker PTA executive board will meet Tuesday, March 28, at noon in the home of Mrs. G. Blackburn, 76 Peoria street, Mrs. Erwin Schmidt, president, said today.

Mrs. Eve Hobbs will assist Mrs. Blackburn. During the meeting plans will be discussed for a teachers' luncheon and installation of new officers as well as participation in the May Day festival this year.

Meanwhile, at an assembly held at Crocker school March 15, Mrs. Schmidt presented a Callphone machine and microphone to the school on behalf of the PTA.

Mrs. Lyal Ingersoll was introduced, for it was through her efforts that money was raised to purchase the machine.

Guests assembled to see the presentation of the equipment and also to see students receive the coveted Lincoln Essay plaque included: James Snell, Hugh Falconer, A. J. Bodien, Bertetta, Mrs. George Freeland, Mrs. W. Cheatham, Mrs. I. Ingersoll, Mrs. Ann Eason, Mrs. Carl Berg, Mrs. Schmidt.

First prize winner was Margaret Robertson, a Crocker student.

The next day, March 16, Mrs. Schmidt, Mrs. Berg, Mrs. Sally Booky and Mrs. Lyal Ingersoll were delegates to the CCPT district convention in San Carlos.

Speaker of the day was Miss Pansy J. Abbott, county superintendent of schools, who gave an interesting talk on her work.

Entertainment was furnished by students of Arundel school and by district mothersingers led by Mrs. Granville Browning, accompanied by Mrs. Martha Smith.

SOCIETY

Lois Adami Chosen As New Woodrow Wilson PTA Head

A provocative panel discussion was conducted by Mrs. James Snell at the regular monthly meeting of the Woodrow Wilson PTA March 21 at 1:30 p.m.

The complete audience of parents and teachers joined in the stimulating discussions, the final authority for which was Dorothy Baruch, author of Parents Can Be People and psychological director for the Walt Disney studio.

Mrs. Lois Adami, program chairman, donated the book to the parent education library just established by the WWPTA for the use of parents and teachers.

The nominations for next year's officers were presented by Mrs. Helen Cheatham and were unanimously elected. The following will be installed as officers for the next year: President, Mrs. Lois Adami; vice-president, Mrs. E. Goldkuhl; recording secretary, Mrs. Philip Gray; treasurer, Mrs. Harold Riley; financial secretary, Miss Elizabeth Kennedy; historian, Mrs. John Sorenson, auditor, Mrs. Wakehouse.

Tentative plans for the May Day festival were discussed and it was announced that each school will select a candidate to compete for the title of Queen of the May before April 1st.

Mrs. Gordon Peterson presented a very complete and interesting report of the 17th district meeting held in San Carlos on March 16 and which was attended by six members of the WWPTA.

Trombone Playing Evangelist At D. C. Church This Week

Victorious singing and preaching is the keynote of the special services being held nightly at the Grace Church of the Nazarene, Santa Barbara and Vista Grande avenues. The Rev. Ellsworth Nothstine, the trombone-playing evangelist, has been bringing timely messages each evening, Saturday included, since his arrival in Daly City on Wednesday, March 15. He will continue preaching in the local church until Sunday, March 26.

After his engagement in Daly City he will go to the Calvary Nazarene Church in San Francisco.

Reverend Nothstine, who has been very successful in youth work, has also done considerable broadcasting, two years of which were done over his own radio program entitled "Life for Weary Hearts."

At the time he received his call to the Christian ministry, Reverend Nothstine was manager of a large fruit company. Since he entered the ministry he has pastored many churches throughout the country, several years ago being pastor of the Palo Alto Nazarene Church. He is a contributor to "Preacher's Magazine, "Herald of Holiness," and "The American Holiness Journal."

Besides the spirited singing and the dynamic messages during the services, Mrs. Selma Nicholson, wife of the local pastor, has been credited in helping to draw the good attendance by her nightly "speed painting" which she has been giving away to the person bringing the most visitors to the services. The paintings are illustrated hymns which Mrs. Nicholson paints while the songs are being sung by Eleanor Miller and Carole Jo Nicholson.

Evening services being at 7:30 p.m. and Sunday services at 11 a.m. and 7:30 p.m.

The public is cordially invited to attend the few remaining services.

Eagles Auxiliary White Elephant Sale March 28th

Four new members were initiated in the Colma Vista Grande Aerie No. 1848, FOE Auxiliary, March 14.

The new members are Betty Hunter, Louise Espinoza, Shirley Walker and Dorothy Bowerson.

Each of the initiates were presented with lovely corsages, carried out in the St. Patrick's Day motif.

Lynn Boskey, program chairman, had an announcement of special interest to all members. The White Elephant Sale is to be held at Eagles Hall, 3346 San Jose avenue Tuesday, March 28, from 10 a.m. to 4:30 p.m. All members are urged to bring their White Elephants to the Colonial Gift Shop, 6272 Mission, or to the Daly City Pastry Shop before that date.

After the meeting, the members adjourned to the social room, decorated for St. Patrick's Day.

Eagles Giant Whist Party Coming March 31

Ending March with a bang, the Colma Vista Grande Aerie No. 1848, FOE, will hold a giant whist party at 8:30 p.m. Friday, March 31.

The whist is to be held at the Eagles Hall, 3346 San Jose avenue. The public is invited to attend.

George Wheeler is chairman for the evening, and he promises no one will go away disappointed. In addition to the whist game, several gifts will be awarded to some lucky person attending.

Whist Party Coming Monday At Masonic Hall

The regular monthly whist party of Hillcrest Circle No. 143, UOD, will be held Monday, March 27, at Masonic Hall, 17 Hillcrest drive.

Time for the party to begin is 8:30 p.m. Chairmen for the evening include Mesdames Cecelia Edenger, Florence Young, and Eleanor Wilson.

The public is invited to attend.

"SHOWTIME" AT JEFF HIGH TONIGHT

Court St. Marys CDA Initiates New Members

In a beautiful candlelight ceremony last Thursday night, new members were initiated into the Catholic Daughter, Court St. Mary's No. 1155.

Presiding over the initiation, attended by 100 members, was Elizabeth Wettstein, court grand regent.

Assisting Mrs. Wettstein were Mesdames Valetta Ennis, vice-regent; Ida Forest, prophetess, and Camille Clarke, monitor. Mrs. Helen Roday was banner bearer with Mrs. Josephine Pine and Eileen Drexler as guides.

Color guards were Mesdames Evelyn Weckerle, Katie Core and Rose McNabe.

Also taking part were Mesdames Gladys Waldon, lecturer; Christien Steveson, historian; Mary Thiebaut, financial secretary; Eleanore McDougal, treasurer; Clara Scally, sentinel, and Kittie Kelly, organist.

Speaker for the evening was The Rev. Adrien McKenna, court chaplain, who welcomed the new members for the Court by telling them to exemplify themselves as good Catholic women through their daily lives and through the charitable work of the Court.

A few words of welcome were also extended by Mrs. Pauline Luchich, acting district deputy, for Mrs. Ruth Block, district deputy.

Mrs. M. Markell, court member, gave a very interesting report on the life of Father Pia, after which refreshments were served with a little touch of old Erin in the decorations.

Mrs. Josephine Reardon was social chairman. Mrs. Jennie Johnson was in charge of decorations.

Visiting Grand Regents were Miss Mary Cummings, district deputy, and Mesdames Mary Hernon, Catherine Conacky, Grace Collins, Margaret Cronin.

Also present were members of Court Notre Dame, Golden Gate, El Camino Real, Mission and Court Cathedral.

New initiates were Miss Ann Drury and Mesdames Amelia Garcia, Orpha Grnochio, Margaret Lucias, Margaret Sullivan, Lee Miller, Mary Merciano, Dorothy Penebsky, Ann Ryan, Marilyn Sorci and Susan Schroeder.

Students Present Musical Review With All Star Entertainers

"Showtime," featuring Jeff's own band, dance band, singers, and dancers will be presented at 8 p.m. tonight, March 24, in the Jefferson High school auditorium.

Under the supervision of music teacher King Stevens, the show has already been put on at South City High school, Half Moon Bay High school and the Bayshore Grammar school in efforts to promote friendliness between schools.

The tickets are now being sold by the members of the music department and will also be sold at the door.

The program is as follows:

"SHOWTIME"

1. Band: Fort Henry March and The Traveler Overture.
2. Routine Majorettes and Band —(Mighty Midget March)
3. Pianistics — Susanah Wilson
4. Chorus: a. Bells of St. Mary's, b. Now Let the Full Toned Chorus, c. Sleepy Lagoon, d. Donkey's Serenade.
5. Cowboys — Carole Hyndman, Fred Perazzo: a. I Want to be a Cowboy's Sweetheart, b. Country Boy.
6. Sea — Queen Oceana — Pat Norberry — and court entertainers; singer, Charlene Holiday, How Deep Is the Ocean; dancers, Wanda Sadler and Tova Hollingsworth; tumblers, Coreen Noble, Helen Cooper, Dixiene Schultheis.
7. Earth—Animal Scene: singer, Gary McGall, Flamingo; dancers, snakes, Evelyn Madriago, Bettie Duffy, butterflies, Donna Kollman, Marion Newcomb, lion, Barbara Mack.
8. Heaven — Starbeams: singer, Christine Quickert, Ave Maria; dancers, Beverly Bendenelli, Jean Eliasen, Jean London, Mary Lou Morris, Arleen Pool.
9. Hell Scene: pianist, Pat Austring, Sabre Dance; imps, Bettie Duffy, Lorraine Remmer; devil, Evelyn Madriago; tumblers, Coreen Noble, Helen Cooper, Dixiene Schultheis.
8. Heaven 10. Singer, Colleen Clark, There's No Tommorw.
11. Girl's Trio — Chattanooga Shoe Shine Boy — Jacquie Berady, Nancy McCaffrey, Nancy Pera.
12. Guitars and bass: Bob Crowley, Fred Perazzo, Earl McCune.
13. Boys' quartet: Down by the Old Mill Stream, Ronald Jennings, Jim Albera, Bob Holtzer, Jack Wilson.
14. Vocal duet: Phyllis and Marlene McMahon, Have I Told You Lately That I Love You, For Me and My Gal.
15. Finale: dance band, majorettes and dancers.

Film On St. Paul At Church Sunday

A special sound film will be shown this Sunday at the Grace Presbyterian Church, Rev. William Harberts announced today.

The film, one of a series on the life of Saint Paul will be shown at 7:30 p. m. in the church at Hanover and Evergreen streets. Title of the movie is: "Ambassador For Christ."

Erwin Schmidt, who has been using his new projector for these evening Lenten services, is also bringing a film of interest to the audience.

The public is invited to attend.

This Monday at 7:30 p. m. the church members are asked to bring in money for the "Building Fund." When the money has been collected there will be some entertainment and refreshments will be served.

Wednesday a delegation from the church will visit the San Francisco Theological Seminary. Those interested in going are asked to be at the church at 9 a. m.

Mrs. Sirex New PTA District Head

Elected as president of the 17th District PTA last week was Mrs. J. G. Sirex, former Daly City resident and daughter of Mr. and Mrs. James J. Poket, 6548 Mission.

Attending the twenty-third annual meeting of the district, at which time Mrs. Sirex was leceted to her new post, were the following members of the Woodrow Wilson PTA, Mesdames Helen Cheatham, Louis Adami, Marie Sorenson, Elsa Berg, Phil Gray, and Gordon Peterson.

Theme of this year's convention was: "Enjoy Your Children, It's Later Than You Think."

Guest speakers were Miss Pansy Jewett Abbott and Mel Tourmey. They bothe delivered short speeches on the work of the PTA.

After the regular meeting, children from the San Carlos elementary schools presented a musical program.

Whist Game Monday In South City

Whist fans in the South San Francisco area, and here in Daly City, are invited to attend a big Easter Whist Monday, March 27.

Sponsored by the Ladies Auxiliary of Eagles, the game is to be ployed at the Eagles Fraternal Hall, South San Francisco. Time for the event is 8:30 p.m.

The public is invited to attend.

Colma Couple Mark 51st Wedding Anniversary

Celebrating their fifty-first wedding anniversary last Sunday were Mr. and Mrs. Herman Siemund, Box 1754, Colma.

The anniversary celebration was held in their home, and attended by their three daughters, 11 grandchildren, and five great-grandchildren.

As Mr. Siemund is a retired gardener, he espccially appreciated the many daffodils and pink camillias that were the keynote of decorations.

In their seventies, the couple are looking forward today to celebrating many more wedding anniversaries together.

Present at Sunday's anniversary were daughter: Mrs. Edith Benedetti, Mrs. Louis Kusber, and Mrs. Frieda Heinzle. Their children were also present to wish Mr. and Mrs. Siemund well.

Also on hand were Mr. and Mrs. Larry Benedetti and Mrs. Anna Kusper, and Andy Silver of Oakland.

YOUR DALY CITY GARDEN NEWS

By ELSIE M. GARRISON

The old saying that "March comes in like a lion, and goes out like a lamb" is somewhat reversed in the case of the gardener, who goes out like a lamb, and does a lion's share, in this preparation month of March.

It is last call on those little jobs you have put off since Christmas. After the long months of winter dormancy and rains, your garden and lawn do need "feeding," so if you have put this off, do take advantage of the rains of the past few days, and work humus into your soil, so much easier to facilitate when the ground is damp and easily turned. Humus is, of course, plant and animal decomposition such as manure, peat moss, leaf mold and compost material. Your lawn will present a much greener face during the summer months if you "treat" it now to a fertilizer.

A spring "housecleaning" is also a must on slugs and snails, which are kuite active this month. You may not see them, but they get in their dirty work during the night. There are many good and inexpensive baits and pellets on sale at your nursery or variety hardware store, so get rid of these pests before they get rid of your prized flowers and foliage. If you have roses, now is the time to check the onslought of aphis, caterpillars, leaf hoppers, red spider scale, thrip and mildew, by spraying once a week with a reliable formula which your nurseryman will recommend.

PLANT NOW

Don't wait much longer to plant bare root roses, as they should be in the ground before new growth begins. If this has occurred, be sure to "heel in" these bushes, which is the process of placing bushes in trenches and covering entire root with soil, making sure to keep damp. This will prevent the roots from drying out.

Camellias, Azaleas and gardenias are now at their best, and thrive under similar conditions. A lot of people are afraid of these varieties because simply to look at these exquisite blossoms, one naturally assumes that such fragile perfection must be the result of expert care and hothouse controls. You may be surprised to learn that camellias, for instance, have a great deal of tolerance, and will survive extremes of temperature, ranging from fifteen degrees above to one hundred and five degrees of heat! And some types will give out these gorgeous blossoms from September to May.

EXPERIENCE

One of the members of the Daly City Garden Club told me of a plan she follows every year, both to enlarge her gardening experience, and to simplify the multiplicity of tasks one encounters by having a great variety of plants, each with its own habits. Her idea is to specialize every year in a new species. In doing this, she gleans all the information available on the plant, during the lazy winter months, and then in spring, with well-timed precision, prepares the soil to best advantage, and goes "shopping."

She triumphantly returns with several varieties of the same strain (cheaper by the dozen), plus proper plant food, plus a spray (if necessary), and also any hardware which, though not often mentioned, is vitally necessary if one would protect the tender plant. Thus fortified, she proceeds step by step as she would bake a cake for the best results. And best results she gets! Her investment is much smaller than that of a mediocre gardener, but by specializing she becomes very well acquainted with the likes and dislikes of the flora, develops proper use and constraint of chemicals, and finally reaps her just reward, blooms that gladden the hearts of all who see them. She graces her home with them, sends them to sick friends — even makes corsages and novelties with them —finding out by trial and error how the blooms are best used and displayed.

She began with a collection of geranium "slips," each a different color, which she potted in empty 2½-size cans. It was then she consulted her horticulturist and librarian and proceeded to grow better geraniums — she learned how to control and make for more profuse blooms. Her investment was under a dollar. Since then she has had many "collections," and is much sought after for advice.

WELCOME MAT

Members of the Daly City Garden Club are busy getting the welcome mat ready for their initial "affair" at which time they will play host to all residents of this area, and persons interested in flowers and gardens. The setting will be the Green Room of The Horticultural Center, City College, the night of April 4 at 8 o'clock. Bus service from Daly City will take persons to the corner of San Jose and Ocean avenue (regular schedule 26) and persons need only take the lane adjacent to the fire station to the Green Room. Mr. Shirl Mollette and Mr. Harley Hooker will do their utmost to post signs and otherwise direct those not familiar with the location.

This will be an excellent opportunity to hear Norvell Gillespie, wall-known authority, who will be guest speaker, as well as meeting members of this enthusiastic group. Remember the day! All are welcome!

DALY CITY—COLMA

Guest speaker at the Lions Club regular meeting Wednesday was John Mongan, dean of men at Jefferson High school.

Mongan spoke at length on the activities of the San Mateo County Child Care center in Burlingame. This home treats children handicapped by mental blocks, and recently received the financial support of the county to carry on its work.

The dean asked the Lions to support the home whenever possible, as it takes all handicapped children in San Mateo county, and thereby benefits every resident of this area.

At the conclusion of Mongan's talk, there was a brief discussion about the May 2 Lions Amateur Show. It was decided to advertise the show via auto bumper strips which are to go on automobiles this week.

Cub Pack Members Receive Badges

By Mrs. D. C. Gensel

Cub Pack No. 62 held its monthly meeting at the General Pershing school Monday, March 13, and the parents and boys had a grand evening.

Awards and badges were passed out by Ed Kruse, cubmaster, and Doug Baughn, assistant cubmaster. The charter for the pack was presented by John Benanti, institutional representative.

Mrs. Calvin, denmother of Den No. 1, put on a nice skit, the subject being, "Living Portraits."

Cubs participating in the show were Jackie Bautista, Billie Benofsky, George Bulwinkle, Lane Calvin, Buster Lauffenberger, Dennis Mark, Larry Pottinger and Dennis Ritcheson.

Our sincere thanks to Mrs. Calvin and her boys for a fine performance.

The following boys received badges: John Benanti, bear; Emil Keyser, wolf and bob cat; George Lee, wolf; Dwayne Cook, lion and bob cat; Richard Gensel, wolf and lion.

The meeting was closed by the Cubmaster, who led the Cub Scout benediction.

Meanwhile, Mrs. Cordellos has taken on additional duties as denmother of Den No. 3, replacing Mrs. Graves, who resigned due to illness.

Jefferson High PTA Elects New Officers For 1950-51; Mrs. Byron Jensen To Serve As Group President

A record number of members were present at the last regular meeting of the Jefferson Union High School PTA March 9.

Mrs. Byron Jensen was unanimously elected to serve as president for the coming term. Following are the officers also elected to serve with Mrs. Jensen on the executive board:

Vice president, Mrs. Blackburn; recording secretary, Mrs. Marie Miller; corresponding secretary, Mrs. Freda Cady; financial secretary, Mrs. Emma D'Isep; treasurer, Mrs. Florence Hopman; historian, Mrs. Freda Pistohl; auditor, Mrs. Marjorie Reandeau.

Immediately following the election a Tea was held in the Little Theatre of Jefferson for the mothers and teacher and senior girls. Here all got a chance to chat together while refreshments were served. King Stevens and his student orchestra played softly in the background.

Many comments of praise were heard for both the girls who helped prepare and serve the tea and for Miss Elizabeth Jones, home economics teacher, who supervised them. It aws a fine mother and daughter get-together. The large turnout of mothers was especially encouraging for the president-elect and her officers, who will be officially installed on April 13.

Representing Jefferson Union high school at 17th District March 16, in San Carlos, were Mrs. Grace Hill, Mrs. Ida Hanley, Mrs. Byron Jensen and Mrs. Ilda Balckburn. They heard Miss Pansy Jewett Abbot, guest speaker, describe the little red school house of the past and present throughout San Mateo county.

Mrs. Grace Hill and Mrs. Eve Hobbs of Jefferson Union high school PTA will sing with the Mother Singers at the State convention of C.C.P.T. in Santa Cruz May 3, 4, 5.

George R. Reilly, left, Chairman of the State Board of Equalization is shown as he filed his candidacy for re-election as First District Member of California's major tax collecting agency. Mr. Reilly, who has held the office since 1938, filed on both the Democratic and Republican tickets for the June 6th Primary election. With him in the San Francisco registrar's office are his wife, Kathryn, and Louis R. Lurie, San Francisco builder and philanthropist who is chairman of Mr. Reilly's campaign committee.

Marine Museum At S. F. Gets Green Light

The San Francisco Maritime Museum Association has received unanimous approval from the City Park Commission of its plan to create a marine museum at Aquatic Park here.

The Association seeks display at Aquatic Park of historic ships as well as old shipping records, logbooks and other relics relating to San Francisco's early days.

Fight Against TB Must Go On

Evidence that the local fight against tuberculosis still requires close attention was seen this week as a semi-annual report on the free X-ray program of the San Mateo County Tuberculosis and Health Association disclosed 142 chest X-ray examinations showing "suspicion of tuberculosis."

All of these were newly discovered in the course of 11,543 X-ray examinations conducted during the period from July to December of last year. In addition, the X-rays revealed 68 persons with heart shadows and 60 with curvature of the spine. During the holding of the X-ray clinics 264 persons were found to be in contact with tuberculosis cases and were advised to have a yearly check-up of their own condition.

Suspicions of tuberculosis were found in 103 out of 3,468 adults examined, and in 39 out of 8,057 students X-rayed. All of the clinics were held within San Mateo county through use of the Christmas Seal mobile X-ray laboratory belonging to the association.

A master sergeant of the Army or the Air Force can retire after 30 years service with a life income of $220.50 per month.

TRAFFIC COURT

Tuesday, 8:30 p.m. — Emydian Institute No. 154, YLI, Holy Angels Hall, San Pedro road, Colma.

NEWS OF YOUR NEIGHBORS

Mr. and Mrs. Atillio Ghiotti formerly of 74 Gambetta street, are now residents of 1856 Sweetwood drive, Broadmoor Village. Ghiotti, who was born and raised in Daly City, married in August and has been residing in Oakland.

Mrs. Edwin Schmidt, president of the Crocker PTA, returned to Daly City last week after a month's visit with her daughter in Tacoma, Washington. Mrs. Schmidt made the trip to be with her daughter, Mrs. Vivian Hinton (the former Vivian Thorsen), when she had her first baby. The baby, a bouncing 7½-pound girl, arrived February 13, the same day as Mrs. Hinton's birthday. In honor of their first born, Mr. Hinton, a Tacoma contractor, named a housing division after her. The name of the addition, and the daughter, is Linda Carol. In honor of the occasion, Mr. Schmidt flew to Tacoma and was with his daughter and wife for three days. Mrs. Schmidt and her husband flew back to Daly City early last week. The Crocker PTA head reports that both her daughter and new grandchild are doing well, and Mrs. Hinton wishes to be remembered to all her old friends here.

Harold Lang, 14 Alp street, recently was in New York. The Daly City businessman was spending a week in the eastern city on a business trip. He stayed at the Beekman Tower Hotel while visiting business friends in that city.

The Rev. John Glasse, pastor at the Broadmoor Community Presbyterian church, this week was honored by the Presbytery San Francisco that met in Stockton. Rev. Glasse was one of eight ministers chosen to represent the Presbytery at the General Assembly of Presbyterian Churches meeting in Cincinatti the latter part of May. Following the assembly, Rev. Glasse plans to go to New Haven where he will see his son, James Daniel, graduate from the Yale Divinity School. The Rev. hopes to take part in the ordaining of his son, the second to go into the ministry. Also expected to accompany Rev. Glasse east is his wife and daughter, Marie Jean, who is a delegate to the Westminister Fellowship National Convention of Presbyterian Churches in Grinnell, Iowa. Miss Glasse will be one of 2,000 students to attend the convention.

Lt. (jg) Earnest W. Daniels, USN, 162 Winchester street, has arrived at Mare Island Naval shipyard, aboard the submarine USS Barbero, which is slated for decommissioning to the "mothball" fleet. The cargo-carrying submarine is the only one of its type in the navy. Lt. Daniels has served aboard the Barbero as engineering officer since July, 1948.

George Wheeler, 352 San Diego avenue, filed this week for the Democratic San Mateo county central committee. He will handle Jim McGrath's campaign in the first district for the office of sheriff. McGrath is the incumbent, and is to be opposed by three candidates.

Billie Dean Clark, son of Mr. and Mrs. Thomas B. Clark of 400 Niantic avenue, enlisted in the navy at the navy recruiting station, San Mateo, recently, it was announced today by Chief J. G. Benson of the San Mateo recruiting office. Young Clark attended Jefferson High school and will receive his recruit training at the navy training center, San Diego. While taking his recruit training he plans to try for the navy's machinery repair school, and if selected will follow that type of work in the navy.

Backers Of Trash Burning Measure Seek Support

All persons interested in a trash burning ordinance for Daly City are asked to be present at the city council meeting Monday night, 8 o'clock.

This was the announcement made today by Mrs. Lydia Talbot, 244 Westlake, spokesman for the group desiring such an ordinance. The group has asked that the city set a time for burning rubbish.

Mayor Paul Green said the ordinance will come up for full discussion at the Monday night meeting.

Mrs. Talbot wishes all those interested to be present, to support the demand of her group for the trash burning law.

Bill Almquist Opens Community Market This Week

Opening this week for business was the new, complete service Community Market at 1955 Ocean.

The modern market is under the management of a well-known Daly City man . . . Bill Almquist, 543 San Diego. Bill has managed the Safeway stores in Daly City and on the county line for the past 13 years. He is completely familiar with all types of food stuffs from peanuts to pork chops.

Bill's partner, Kenneth Taylor, is also a former Safeway employe, having worked in the Daly City Safeway store for the past two years.

Bill invites all his Daly City friends to visit the new market, which opened Wednesday. The store is close to Daly City and carries all types of merchandise. It is a completely new building with the latest in modern fixtures, all of which will make your shopping hours happy ones.

Mr. and Mrs. Bill Almquist, 543 San Diego, are the proud parents today of a baby girl, born at Mills Memorial hospital March 17. When the new addition, Donna by name, came into the world she weighed 6 pounds 9½ ounces. Bill reports both mother and child doing well. The Almquists have another daughter, five years old. Bill, by the way, is opening his own market, the "Community Market," at 1955 Ocean this week. He is the former Safeway manager in Daly City and on the county line.

Mrs. Esther Lorenz, 322 Miriam street, was hostess this week to her brother, E. A. Durbin, and sister-in-law, Mrs. Durbin from Westwood. The Durbins came down to visit with Mrs. Lorenz before flying east Monday to see Mrs. Durbin's ill sister in Washington, D. C. Daly City residents will remember Durbin, who spent many years here before going to Westwood. He is a retired painter and contractor.

W. T. Prewett, a June, 1946, graduate of Jefferson High school, is the top student in mathematics in a class of 1,010 at the United States Naval Academy in Annapolis. In addition to being number one in mathematics, Prewett also ranked high in electrical engineering and marine engineering. Prewett is a resident of Brisbane.

"Record" Reminiscence

From the "Record" 10 Years Ago
March 20, 1940

Jefferson Union high school grounds will be the setting, Sunday afternoon, of the largest Easter egg hunt Daly City has ever een. Bruce H. Boynton, WPA recreation director, is in charge of activities.

Discussing the theme, "Values of American Citizenship," six Jefferson students will compete, next week, in the local finals of the California Bankers association public speaking contest. The six speakers are: Charles Yonan, Charlotte Wealt, Evan Gillespie, Robert Grimes, Wayne Chapin and Edna Lowden.

The Vernazza twins, James and Joe, sensational duo, will appear in the finals of Benny Walker's amateur contest April 1.

New officers of the Woodrow Wilson PTA were chosen this week. They include: Mrs. Catherine Foreman, president; Mrs. Julia Petersen, vice - president; Miss Marjorie Tobias, honorary vice-president; Mrs. Fannie Kanter, secretary.

Pitching sars for the Jefferson nine this ygar are Lee Stephens and Roy Giusti.

Crocker Chapter No. 382, OES, enjoyed an unusual treat Monday evening when Dante P. Lembi's cowboy band entertained them. The high school virtuosos were acclaimed the sensation of the evening.

Two Hour Cleaning Service Soon At D. C. Cleaners

Quick, two-hour cleaning service will soon be offered by the Daly City Cleaners, 6287 Mission, with the installation of a $10,000 unit next month.

Manager Harry (Hal) Willis reported today that the new machine will be the finest in Daly City, and will offer customers better and faster cleaning. The unit is expected to arrive within the next two or three weeks. Willis said.

Using a sepcial cleaning fluid, the machine will dissolve dirt faster, have better penetrating power and be easier on clothes.

This piece of modern cleaning equipment is the latest installation in the plant taken over by Willis three years ago. During his three years in Daly City, Willis has consistently offered his customers better and faster cleaning.

But Willis is also known outside of his shop fo rhis activities in the Lions and Eagles. He is past president of the Cleaners Union.

All in all Willis has had 20 years of experience in cleaning.

HILLS AND CURVES

Never attempt to overtake and pass another car near the crest of a hill or on a curve, where your range of vision is restricted. Keep to your own lane until you have ample sight distance for safe passing.

The U. S. Air Force Officer Candidate School, at Lackland Air Force Base, Texas, is now coeducational — which means that, for the first time in history, women are earning commissions on exactly the same basis as men.

Young men and women who have had no previous military experience can become officers in the U. S. Air Force after six months' training at the Air Force Officer Candidate school.

NEWS FROM THE SCHOOLS

JEFFERSON

The kindergarten and first and second grades had a very interesting lesson on safety given to them by Mr. R. Moore, safety director from the San Mateo County Educational Office.

The program is called "Safety Town." A diagram in the form of a figure eight is drawn on the school ground, which represents streets and crossroads. These streets have traffic lights on them which are controlled by a person. The children are given instructions on how and when to cross streets without the aid of a traffic officer. They are also instructed how to ride or take their scooters and bicycles across busy streets.

After the concrete examples had been presented by Mr. Moore and his staff the classroom teacher then had a discussion and lesson on safety and traffic.

The students in the afternoon session of room 6 have been writing original stories about their activities and hobbies. Billy McCann and Gayla Murphy shared their stories with the class. A beneficial discussion followed on self-expression and presentation of written compositions.

Thoughts expressed in rhyme are now offering an outlet to their enthusiasm for creative expression. These acivities give a feeling of self-satisfaction and participation which are so important to growing children. Helpful criticisms by the class are encouraged through leading questions set forth by the teacher.

The second grade welcomed Roy Simmons back to their grade.

ROOM 4

The students in room 4 have a very nice collection of library books, which they have been using for extra reading. Their room has been very nicely decorated with spring flowers, a farm mural and a large, colorful blossoming tree. They have two "Busy Bee" charts and, for the month of March, they have decorated their walls with kites.

FOURTH GRADE

Wednesday morning, March 8, the fourth grade class at Jefferson Annex was taken by the school bus to see the California Caravan at the Civic Center in San Francisco. The trip was both educational and enjoyable. The children were especially interested in Father Serra's Bible and Paty Reid's little doll.

CROCKER

The seventh grade of Room 5 will soon finish social studies work on England and be ready to cross the English Channel into France. They have a large map of France with the names of cities, etc. in French. They are sometimes difficult to recognize.

New York in arithmetic has to do with perimeters of squares, triangles, etc., and the use of a compass.

Children of the seventh grade of Room 6 are leaving the British Isles for France during their social studies period. They have already found some of the principal cities, rivers, and mountains. They have yet to discover the reasons for France being considered the lovely nation tourists love to see.

ROOM 3

Sixth graders of Room 3 have been doing some experimental work with colored chalk. Last week they had a fine time blending colors to make a spring picture. Lovely life-like color effects can be gained through careful use and blending of this chalk.

Loretta Berg has returned to this class after a lengthy illness.

This group has started a library which has proven very successful. Everyone is interested in reading the story books. This not only fills any spare time minutes in the day, but is an excellent means for improving reading ability. Books by Laura Ingalls Wilder and Kate Seredy are in great demand. The children wish they had more of these.

Students of the sixth grade in Room 5 are studying about the natives of the Pacific islands. They have discovered that the islanders eat about the same foods, wear much the same kind of clothes, and live in the same kind of homes as their ancestors.

It's Big

Everything about a '50 Ford—except the price—says: "Big car." You get more hip and shoulder room than any car in Ford's field. You get "big" power from the '50 Ford's new "hushed" 100-horsepower V-8 engine. And you get a big car "feel," too, from Ford's low, level "Mid Ship" Ride.

It's Beautiful

With "Fashion Car" styling—this year more beautiful than ever . . . with new baked-on colors that are "built to live outdoors" . . . Ford looks the quality car, too. And, inside, sparkling, new upholstery fabrics make the '50 Ford a decorator's dream.

White Wall Tires Available at Extra Cost

It's Buyable

Less money than you'd guess will put the keys of a '50 Ford in your pocket. Even with the 100-horsepower V-8, your price tag reads hundreds less than they're asking for most "sixes"! And nowhere else—for any price—are you offered Ford's 13-way stronger "Lifeguard" Body . . . 35% easier-acting King-Size Brakes and the other great features which add up to the new Ford "feel."

JEFFERSON OPENS IN PAL LEAGUE

Indians Play First Game Friday At Home Against Burlingame Nine

By Milton Tromborg

Taking a pretty rough beating in football and basketball, the Blue and Gold machine of Jefferson, will open their bid for the 1950 P.A.L. baseball championship today by playing host to Burlingame, with game time set for 3:30 p.m.

CEREGHINO STARTS

Coach Glen South, who predicted that his Indians have one of the best chances to win the P.A.L. crown, will take no chances, by starting chucker Ed Cereghino. Already this year, Ed has won one game and lost one game.

Here is the starting line up, but there is a chance that Coach South will change it before game time, and also here is the batting averages of the players, after playing 12 practice games.

First Base, Roy Childress	.156
Second Base, Pete Delfino	.260
Short Stop, John Matzek	.153
Third Base, Harold Mosman	.250
Catcher, Alex Findlay	.217
Left Field, Leo Gianecchini	.173
Center Field, Don Lunghi	.363
Right Field, Henry Morgan	.346
Pitcher, Ed Cereghino	.273

As you can see, the Indians are not too strong at the plate. Don Lunghi, who leads with a .363 batting average for 12 games, has received 20 walks in 22 official times at the plate. Fielder and pitcher Henry Morgan is another power at the plate, with a .346 average, collecting 9 hits in 26 times at plate, plus 5 walks.

Shortstop John Matzek has gotten off to a slow start and came up with a .153 average, with 4 hits out of 26 times at the plate. Veteran third baseman Harold Mosman is just getting into the swing of things and should have a better average by the end of the season.

One of Coach South's mean worries is left fielder Leo Gianecchini. Leo came up from the frosh and did very well last year at the plate, but in 12 practice games this year, Leo seems to have a little trouble in hitting the ball.

GAMES WON AND LOST

The Jeff Indians have played 12 practice games so far this year, winning 6 and losing 6. The wins included: George Washington, 5-2; Poly, 6-0 and 7-4; Lickwilmerding, 10-0 and 7-0; Jeff frosh-soph, 7-0. The losses included Sacred Heart, 3-2; Mission, 5-2; Lincoln, 6-1 and 2-1; Balboa, 4-3 and 3-2.

So remember, today is the day, JJeff vs. Burlingame, in the first P.A.L. league game of the year, at Jefferson High School, game time set for 3:30 p.m.

PITCHING RECORDS

Just to give you a little idea on how the pitchers of the Jeff varsity are doing, here is a complete run-down on the chuckers, totaling 12 practice games.

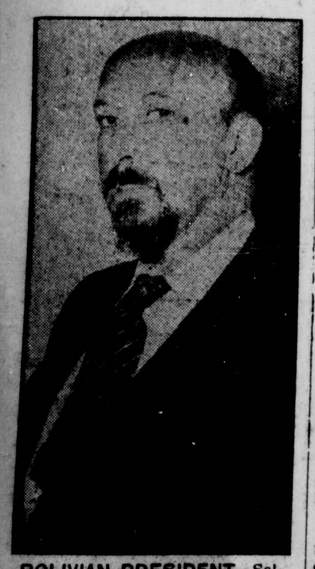
Ed Cereghino, so far this year has pitched in 25 innings, striking out 38 batters, walking 3. Ed has allowed a total of 11 hits, and a total of 7 runs have scored on him while on the mound.

Henry Morgan, a fielder, has pitched in 24 innings, striking out 28 batters, and walking 12. He has allowed 25 hits and 13 runs have scored off him while on the mound.

Jim Hatchel, up from the frosh, has pitched in 14 innings, striking out 16, walking 3. He has allowed 9 hits and 2 runs.

Charles Donelly, also up from the frosh, has pitched in 13 innings, walking 4 and striking out 16 batters. Donelly has allowed 4 hits and 0 runs while on the mound.

	Won	Lost
Ed Cereghino	1	1
Henry Morgan	3	2
Jim Hatchel	0	2
Charles Donelly	2	0
Don Lunghi	0	1



BOLIVIAN PRESIDENT—Seldom photographed President Urriolagoitia of Bolivia is pictured in the executive offices at La Paz. Nelson Shawn, Acme Newspictures correspondent, made the picture recently.

Keglers Invited To Enter Tourney

Bowlers in Daly City and San Mateo county were invited this week to take part in the first annual Peninsula Diamond Medal Championship Bowling Tournament beginning this Sunday.

The tournament is to be held at the Burlingame and San Mateo Bowls.

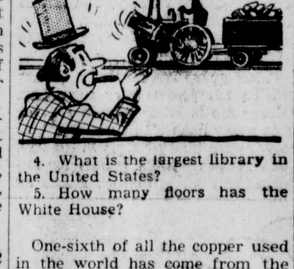
Entry blanks should be submitted to Bud Boodell and Bob Kennedy, proprietors of the San Mateo and Burlingame Bowls, respectively.

With the qualifying round getting underway Sunday, there will be four rounds, terminating with the "house finals" May 6 and 7 and the Grand Finals May 13-14.

Winners will be awarded diamond medals.

TEST YOUR I. Q.

1. How much lard can you get from an average-sized hog?
2. What sport is played by Americans more than any other sport?
3. What was the first American-built locomotive to make a successful run?



4. What is the largest library in the United States?
5. How many floors has the White House?

One-sixth of all the copper used in the world has come from the mines of Butte, Montana.

Jeff's Joe Zanobini Again Wins Mile Run

There is no doubt in anyone's mind that Jeff's miler, Joe Zanobini is one of the best runners to ever come out of Jeff.

Zanobini, who doesn't look like a distance runner, has won the mile race a few times already this year, plus almost upsetting Balboa's Jim Van Zent, but losing out by two strides.

In a three-way track meet last Friday afternoon at Burlingame High, between Jefferson, Sequoia and Burlingame, Zanobini again took the mile run in the slow time of 4:52. Joe is capable of running 4:40.

Jefferson took third in the varsity division behind Sequoia, who racked up 55½ points, Burlingame's 52½ points, and Jeff's 32 points.

Another boy on the Jeff squad who is burning up the league in the 440 yard run is Chuck Bublack. Bublack took second in 440 and third in 100 yard dash.

VARSITY RESULTS

120 L. H.: 1 (B); 2 (S); 3, Lemon (J); 4 (B); time 16.2.

180 L. H.: 1 (B); 2 (S); 3 (B); 4 (S); time 21:9.

100 Yd. Dash: 1 (S); 2 (B); 3, Bublack (J); 4 (S); time 10:4.

220 Yd. Dash: 1 (B); 2 (S); 3, Tienken (J); 4, Maffie (J); time 23:00.

440 Yd. Dash: 1 (B); 2, Bublack (J); 3 (S); 4 (S); time 59:2.

880 Yd. Dash: 1 (S); 2, Bollinger (J); 3 (B); 4, Douglas (J).

Mile: 1, Zanobini (J); 2, Nottingham (J); 3 (B); 4 (S).

880 Relay: 1 (S); 2 (J); time 1:35.

Discus: 1 (S); 2, Teglia (J); 3 (S); 4 (B); 116 feet.

Shot Put: 1 (S); 2 (B); 3, McCool (J); 4, Baher (J); 48 feet 5 inches.

High Jump: 1 (B); 2 (B); 3 (S); 4, Kunz (J); 5 feet 10 inches.

Broad Jump: 1 (S); 2 (B); 3 (S); 4 (S); 20 feet 8 inches.

Pole Vault: 1 (B); 2 (B); 3 (S); 4 (S); 11 feet 6 inches.

Thrills And Spills In Jeff High Night League; Vets, Neville Win

By Milton Tromborg

Putting everything they had into it, Veteran's Inn and Neville Motors took victories in the last few seconds of their games last Thursday night, March 16, over Hoyt Water Heaters and the Loafers, in the Jefferson High Night Basketball League.

On Tuesday night, March 14, Gigli Plumbers, paced by Christenson's 16 points, ran over the V. V. Merchants by the score of 38-29. In the second game of the evening, the Seahawks, ousted a win from the Hayduks (now called Tiny's Daly City Inn) by the score of 43-42.

VET'S AND HOYT ROUGH IT UP!

If you like basketball and football mixed, then you should have seen the Veteran's Inn and Hoyt Heater game Thursday night.

Both teams were roughing it up so much that the referee had a hard time in calling fouls.

The Hoyt Heaters were behind in score all the way, until they tied the score all up 40-40 in the last minute of the game.

RERECICH MAIN GUN

Forward John Rerecich, who stands 6'6", was the boy who won the game for the Vet's with a 25-footfield goal, with 7 seconds left before the final sound of the gun.

Rerecich also led in scoring, racking up 6 field goals and 3 free throws totaling 15 points. Another boy who deserves a lot of credit for playing a good game on rebounding, is Bill Nassano.

The two Dederman brothers, Jack and Harry, the guns of the Hoyt Heaters, were stopped cold, and were not able to play their best games. Harry played a good game on rebounding, but in the scoring department he only scored 6 points.

Jack started very cold in the first half of the game by not racking up a single point, but in the second half, he hit a few buckets and scored 4 field goals, for 8 points.

Guard Milkovitch was no doubt the outstanding player for the losers. Milkovitch was all over the court, and did a pretty good job in controling the back boards, plus racking up 12 points.

SILACCI WINS FOR NEVILLE

Jim Silacci, former Jefferson basketball player, scored the winning goal for Neville Motors, to give his team their first win in the league.

Neville Motors and the Loafers worked and played for a full 40 minutes, and at the end of the game found the score all tied up 40-40. The game was forced into a five-minute overtime period, but at the end of that time, the score was still tide up 47-47. With another game still to be played, the game was forced into sudden death play, meaning the first team to hit the hoop wins the game.

Neville Motors took the ball over and worked it down the court. Jim Silacci, who is deadly with his left-handed set shot, let go of a 20-footer, and swish, Neville Motors won.

It was a tough game for the Loafers to lose, but that is the way the game goes.

SEAHAWKS WIN AGAIN

Hoyt Heaters and the Loafers were not the only teams in the night league to lose in the last seconds of play, for Tiny's Daly City Inn were ousted out of a win by the Seahawks Tuesday night, March 14, by the score of 43-42.

People who thought it couldn't happen twice, saw that they were wrong when guard Rodman sank a 25-foot field goal with only five seconds of game time left, to give his team their second straight win.

The week before, Rodman sank a left-handed hook shot, with only four seconds to play to give his team a 30-28 win over Gilgli Plumbers.

As of now the league is really shaping up, with the Seahawks and Veteran's Inn the only undefeated teams in the league.

League Standings as of March 16

	Won	Lost
Veteran's Inn	2	0
Seahawks	2	0
Hoyt Water Heaters	1	1
Neville Motors	1	1
Gigli Plumbers	1	1
V. V. Merchants	0	1
Tiny's	0	1
Loafers	0	2

GETTING IN THE LINE OF TRAFFIC

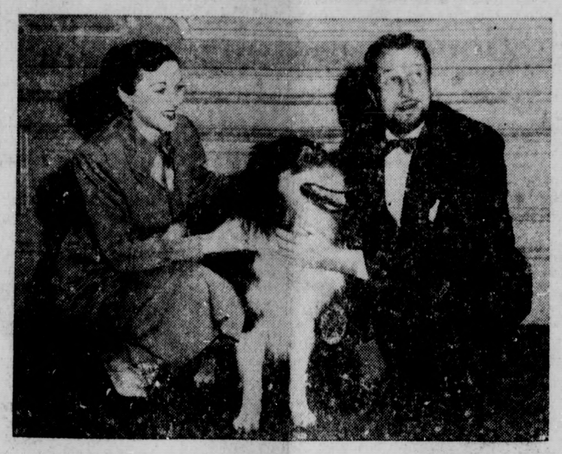
The wise motorist never attempts to force his way into a line of traffic, advises the National Automobile Club. He signals his intention clearly, and then waits until traffic is clear enough to permit his proceeding with safety to himself and to his fellow motorists.

HEED AUDITOR'S REPORT

The car owner who wans to acquaint himself somewhat with operation costs should first turn to the odmeter, advises the National Automobile Club. It is a silent auditor and its reports should be heeded always. Incidentally, if the report seems to be too high or too low, the device might be checked for accuracy. It sometimes makes an error.

SPORTS

MANY "STARS" AT S. F. DOG SHOW



Vincent Price, screen and radio star, owner of 11 pedigreed Dachshunds, looks over one of the blue-bloods of Dogdom entered in the San Francisco Dog Club's specialty show, set for next Sunday, March 26, at the Civic Auditorium. With him is Anale Cauble, dog fancier, and Champion Collie Seabell Black Dan of Dunsbury. Over 750 pedigreed dogs from all over the Bay Area will be entered.

ARAB REFUGEES COME HOME—Arab families are reunited in Acre following repatriation of Arabs, both Christian and Moslem, who fled Palestine during the fighting. Many of these refugees were separated from their families for 18 months or more. Armistice Commission and United Nations personnel are preparing for the homeward flow of Arabs who took refuge in neighboring countries.

FORMOSA PREPARES—Wives, mothers, fathers, brothers, and sisters of Formosan recruits, on parade through the city of Taipeh, follow their loved ones in trucks to the city hall where they give the soldiers a send-off. Nationalist officials hope to recruit a total of 35,000 men in Formosa during the coming year. The island is being readied to face expected Communist attack from the Chinese mainland.

FISH AND GAME NOTES

by Jimmy Fox

Regardless of the weather the fishermen go out on Sundays and try their piscatorial luck.

And as luck would have it last Sunday "It was agin' em." The salmon fishermen had wind and rought sea to battle so no fish were taken. In fact, only a handful of the hardiest were able to make it out any farther than the Golden Gate Bridge.

The Daly City Rod and Gun Club had a striped bass trip on the schedule so a few of the most foolish members disregarded the rain and went fishing. As it turned out about 50 per cent of the club could be classified as foolish, for there were 47 people out on the Sacramento River at Sherman Island. The rain stopped about noontime and the sun warmed things up a bit, but it didn't do the fishing any good.

With all those lines in the water I don't see how the fish could swim around without getting caught. When the time came to go home the total count of fish consisted of 1 carp and 1 catfish.

Wednesday nite at the club's regular meeting the big topic of discussion was the Jnior program. Several members have been chosen to instruct the puniors in the various phases of hunting and fishing and their related sports. Some of the items that will be covered include small bore rifle shooting and safety instruction, surf casting, bow and arrow shooting, fly and plug casting, good sportsmanship, fire prevention, conservation of our game and natural resources.

Also on the schedule for the kids will be plenty of well-supervised fishing trips and picnics and casting tournaments. The boys will elect their own club officers and will conduct their own meetings. An instructor will attend each meeting to see that it is conducted in a businesslike manner. As soon in the future as each instructor has outlined his program and has it ready to operate the boys will be informed of the club's activation and any boy interested may fill out an application to join. Membership will be between the ages of 12 and 16 years old.

Next big club activity will be the Outdoor Shooting Competition to be held in April at the Coastside Sportsmen Range near Pedro Point. The shoot will be for skeet, big and small bore.

Anyone wishing to join this active organization should contact either Jimmy Fox or Ed Nenstiel at the Daly City Hardware Store at 6309 Mission street.

Blue Blood Dog Show At S. F. Civic Audt'm. Sunday

The blue-bloods of dogdom—pedigreed and championship stock only — will vie for grand championship honors at the second annual combined specialty show of the San Francisco Dog Clubs, Inc. at the Civic Auditorium Sunday March 26.

Nearly 750 valuable pooches will walk, trot, stance, act sophisticated or bored as seven judges, operating in as many rings, will size up the dogs entered in the seven different breed categories eligible in the show. Competing dogs will be from the following clubs and breeds: dachshunds, schnauzers great danes, chow chows, doberman pinschers, collies and English bulldogs.

Seven nationally known judges will officiate at the canine ultra-social event. Among them will be Virginia Keckler of Greenville, Ohio, who authored the popular seller, "The Great Dane"; and Mrs. Bob Adamson, of Long Island, New York, one of the nation's outstanding breeders of doberman pinschers and owner of the all-time record sire doberman, Champion Dictator V. Glenhugel. A. W. "Sandy" Forbes, of Tacoma, Washington, who was a judge in dog shows in Edinburgh, Scotland, will judge the chow chows.

Among some of the outstanding dogs entered in the show will be Ronnie, champion long hair dachshund, owned by Virgilio and Isabella Cheda of San Rafael; Czandar of Caldane, great dane owned by Mr. and Mrs. Roy Taylor of Redwood City; Champion Fritz of Williams, standard schnauzer owned by Mr. and Mrs. V. N. Williams of Millbrae; Champion Chopsticks Joe of Ross, chow chow owned by Mr. and Mrs. William D. Ross of San Francisco; Dachsheim's Erika pedigreed dachshund owned by Clayton H. Garvey of San Francisco.

SPORTSMEN'S CALENDAR

The Division of Fish and Game reminds California sportsmen of the following general regulations which apply to current hunting and fishing.

CATFISH — No closed season. Bag and possession limit: 15 pounds and one fish in the aggregate. Minimum size limit: 9 inches in Clear Lake; 10 inches in District 22; none elsewhere. Night fishing permitted in District 22 Siskiyou, Shasta, and Modoc counties.

STRIPED BASS — No closed season. Bag limit: five fish or 25 pounds and one fish, or two fish regardless of weight. Minimum size limit: 12 inches.

BLACK BASS, SUNFISH CRAPPIE, SACRAMENTO PERCH — Closed until April 29 in all counties north of Mono, Madera, Fresno, Kings, and San Luis Obispo. No closed season elsewhere or in Clear Lake. Bag limits: 5 black bass, 25 sunfish, crappie, perch. No size limits.

OCEAN FISH — No closed season except for grunion and salmon, now open. Bag limits: 50 scallops. 15 rockfish, 2 marlin, 2 black sea bass, 2 broadbill swordfish, 3 salmon, 10 tuna, croker, skipjack albacore, barracuda, yellowtail white sea bass, bonito, rock bass kelp bass, corbina, halibut, ling cod and cabezone. No limit other species.

CLAMS—Ends April 30 in Humboldt and Monterey bay areas. No closed season elsewhere. Bag limits: 30 razor; 10 big neck; 10 Pismo; 15 Washington in Districts 2 and 10; 15 Washington and big neck combined, but not more than 10 big neck in Marin county. No limit on jack knife clams.

CRABS — Ends July 31. Bag limit: 10 in Eel River, Humboldt and Trinidad Bays; none elsewhere. Size limit: no males under seven inches. No females may be taken.

COCKLES — Ends April 30 in counties north of San Luis Obispo county. No closed season elsewhere. Bag limit: 50. Minimum size limit: one and one-half inches in diameter.

ABALONES—Opens March 16. Bag and possession limit: 5 per day. Minimum size limits: red abalone, 7 inches; green, 6¼; pink, 6; black, 5.

OLPH Basketball Squad Wins Outer Mission Catholic School League

By Glen Smith

Champs of the Outer Mission Catholic Elementary school basketball league today are the quintet of Our Lady of Perpetual Help.

The boys took the title after decisively routing the Corpus Christi five last Friday. This was by way of a surprise victory, at least to the audience, as Corpus Christi was rated the probable winner.

The contest was won by the team as a whole, with no single man responsible for the victory. The OLPH defense was outstanding with Madden, Rosa Murphy, Dreyfus, Laramie, Gerard and Bryant receiving awards for their outstanding performances in both league and tournament play.

It will be remembered that earlier in the season, the OLPH lads also defeated Jefferson elementary for the city championship.

Then, entering the Mission League, the boys from OLPH downed Most Holy Redeamer 20 to 8 in the first game. The other teams entered in the league were St. Paul and Christi.

Liquor And Police To Tangle Sunday In Ball Game

Rained out last Sunday, Gelsi's Liquors failed to play their scheduled game with Corte-Madera.

Trusting on the sun to make an appearance this Sunday, the Gelsi nine will take on the San Francisco Police Department at Marchbanks Park at 2 p.m.

This should be a top game as all members on the police team are ex-professional players.

To date the Gelsi's have won four and dropped one.

Meanwhile, the Sunday game will be the last of the season for four players on the Daly City team. The four men are leaving next week for various spots in the big leagues.

Fred Fazzio, pitcher and outfielder, will be fighting for a place on the Brooklyn Dodger team as he plays ball on a Dodger team in Billings.

Also in the Dodger camp is B. Newman, who will be right fielding for a team in Mississippi.

Frank Cirimelle is going to Texas with the New York Yankees. He is a pitcher the Gelsi's will hate to lose.

The fourth player, Lou Valletta, is going to Pittsburgh for the Chicago White Sox. He is a third baseman and catcher.

Replacements for these four men are already in training, and will be playing shortly. Their names will be published in next week's Record.

Local Legion Commander Views Veteran Problems

From Local American Legion

(This is the fifth article by Commander Bordson of the local American Legion post on still another aspect of the report of the Hoover Commission on the handling of veteran affairs. In this article the commander discusses the proposed new Veteran Insurance Corporation and the jokers concealed in it.)

By Commander Peter D. Bordson
Daly City Post No. 410
The American Legion

Every veteran of World War II who now carries National Service Life Insurance in any form may have to pay through the nose because of his trust in the United States Government if the recommendations of the Hoover Commission on veteran insurance matters are carried out.

Just when the Veterans Administration, after several years of tremendous effort, has got its insurance affairs into fairly well-working shape, along comes the Hoover Commission with a new plan to mess up these affairs in a colossal fashion. Furthermore, the Commissions plan contains the germs of a hidden joker which may jolt the World War II veteran in robust fashion in his pocketbook and in his belief in a square deal!

Pending legislation proposes to take away the handling of all insurance matters from the Veterans Administration and place it in a new and huge experimental government institution to be known as the Veterans Insurance Corporation.

The joker lies in the fact that the Commission's Report indicates that the Insurance Operation Should be Self-sustaining! This may mean that the government no longer would pay the administrative costs of government life insurance policies now held by millions of veterans. Nearly 500,000 veterans of World War I who have been carrying U. S. Government Life Insurance for 31 years and 7,220,000 veterans of World War II who have National Service Life Insurance policies, might find their premiums raised so sharply that they could not afford to continue their policies in effect!

Should this happen it would constitute a definite breach of contract entered into by the government with the veteran when the veteran was a fighting man!

Experts Rejected Idea

The American Legion has a name for this infamous proposal. It is economy meant to be achieved by betrayal! The tragic aspect is that if this recommendation is carried out to its full sinister implication, the net result will not be economy but only betrayal of the veteran!

The members of the armed forces of World War I and II were briefed endlessly, pleaded with and high-pressured by their commanding officers to take out government life insurance. The government went into this insurance field because commercial companies wanted no part of the costs of the hazards of war. Our fighting men and women were told that the government had their interest at heart and was assuming the cost of the extra hazards of war so that every serviceman and woman could afford to carry this war insurance. During World War II alone, 20,020,809 applications for National Service Life Insurance were approved showing the belief of the veteran in his government! After demobilization the government campaigned strenuously to induce every veteran to reinstate and convert his insurance into some permanent form and keep it in effect.

The Hoover Commission proposes to mess up the veterans insurance affairs over the objections of its own Task Force which studied the VA insurance activities. The Task Force engaged the Trundle Engineering Company, management engineers, to look into the VA Insurance matters. This group of experts as well as insurance exacutives on the Task Force itself, did not recommend divorcing the insurance activities from the VA.

The Commission also disregarded the dissimilarity between government insurance and commercial insurance. The VA has no large agency in the field. Private insurance companies do.

The proposed new insurance corporation would apparently include its own staff for legal, personnel, supply, finance and file indoxing purposes. This would mean creating many new jobs. But the individual veterans case folder on other claims would remain in the VA. The corporation would frequently need to refer to this folder when it made any move in any veteran's insurance matter.

The American Legion can see absolutely no economy in such a setup only more duplication, more confusion, more red tape, more trouble for the veteran and betrayal of the grossest kind.

My next article will discuss another angle of deep concern to every World War II veteran — the proposed messing up of guaranty loans under the G.I. Bill of Rights.

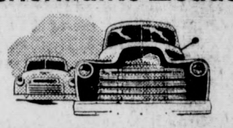
Meet America's Top Truck Values!

NEW CHEVROLET P·L ADVANCE-DESIGN TRUCKS

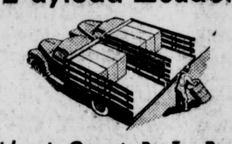
Performance Leaders



Most Powerful Chevrolet Trucks Ever Built!

New Chevrolet trucks put business in "high gear" with stepped-up power and performance. Improved Thrift-Master Valve-in-Head engine features greater horsepower and finer performance with new "Power-Jet" carburetion. Entirely new heavy-duty power plant—the Load-Master 105-h.p. Valve-in-Head engine—provides greater pulling power . . . cuts down total trip time in heavy hauling.

Payload Leaders



Cost Less to Operate Per Ton Per Mile!

Chevrolet P·L trucks are built to withstand the hard-pounding of the roughest roads and thus minimize repair bills . . . cut losses due to "lay up." They reduce total trip time with high pulling power over a wide range of usable road speeds . . . let you deliver the goods at low cost per ton per mile!

THE POPULARITY LEADERS
Ahead with more Truck Users by 2 to 1!

Price Leaders

First For All-Around Savings!

From low selling price to high resale value, you're money ahead with Chevrolet trucks. Chevrolet's rock-bottom initial cost—outstandingly low cost of operation and upkeep—and high trade-in value, all add up to the lowest price for you.

No doubt about America's choice when it comes to trucks. For the last twelve-month period, Chevrolet trucks outsold the next two makes combined! Yes, truck users themselves provide the proof of Chevrolet truck superiority by their own *endorsement*. And that's evidence of a clear-cut sort that Chevrolet trucks are your best possible purchase. Compare them, feature for feature . . . value for value. Compare—and you'll know why Chevrolet trucks are the world's fastest selling make! Come in and see them today.

AHEAD with all these PLus Features

• TWO GREAT VALVE-IN-HEAD ENGINES: the new 105-h.p. Load-Master and the improved 92-h.p. Thrift-Master • THE NEW POWER-JET CARBURETOR • DIAPHRAGM SPRING CLUTCH • SYNCHRO-MESH TRANSMISSIONS • HYPOID REAR AXLES • DOUBLE-ARTICULATED BRAKES • WIDE-BASE WHEELS • ADVANCE-DESIGN STYLING • BALL-TYPE STEERING • UNIT-DESIGN BODIES.

Three Crocker Students Win Essay Contest

Making a clean sweep for Crocker school, three students from there took all prizes this year in the annual Lincoln Day essay contest.

A. J. Bodien, sponsor of the event, states that this is the first time in many years that one school has won all three prizes.

First prize, the Lincoln Plaque, went to Margaret Robertson, eighth grade student, whose essay on Lincoln was judged best of over 400 submitted by pupils in the Jefferson elementary school district.

Sidney Warren, another eighth grader, won second place while a seventh grader, Robert Bridges, came in third.

All essays, with the names of writers obliterated, were judged by a committee selected by the presidents of the various PTA units in Daly City and Colma. Content, neatness, spelling and language usage, were the points considered.

Participating in the ceremonies besides the award winners and Bodien were PTA presidents: Mrs. Florence Schmidt of Crocker, Mrs. Carol Freeland, General Pershing, Mrs. Helen Cheatham, Woodrow Wilson, and Mrs. Else Berg, president-elect of Crocker School. Officials included Miss Marjorie Tobias, Crocker principal; Hugh Falconer, general supervisor, and James L. Snell, school superintendent.

Following the awarding of the plaque, Mrs. Florence Schmidt presented the student body with a microphone and electric transcription player, a gift from the Crocker Parent-Teacher Association. Assisting with this presentation was Mrs. Lyal Ingersoll whose committee was largely responsible for the raising of the necessary funds.

The entire meeting was conducted Wednesday, March 15, by the double session student body presidents, Jack Plunkett, A. M. session, and James Snell Jr., P.M. session.

Following are the three winning essays:

HONEST ABE—1st
By Margaret Robertson

Everyone at one time or another has probably heard the name Abe connected with another word—honest! Yes, "Honest Abe"! The people started calling Lincoln this after a lady came into a store he had once worked in and gave him too much money. When he discovered this, Abe went miles just to return the few cents. These and other incidents show us just how honest Abraham was.

Lincoln was more than just a president, he was a clean, honest man, who had lived in the wilderness of Kentucky. He was born in the year 1809 and lived until 1865. A son of poor parents, Abe started his career early in life by helping his father on the farm and by doing odd jobs for the people he met.

On one occasion Abe received two pieces of silver for rowing two travelers halfway across the Ohio River so that they could catch a steamboat. Abe never dreamed of, or expected to get such a large sum of money for such a small amount of work. You can see by this attitude that even as a boy Mr. Lincoln was a helpful and appreciative person. It was the little things as well as the big things he did for people throughout his lifetime that made Abe Lincoln one of America's most beloved personalities.

Although he only had about three months of schooling, Abe liked to study and read books. It was no great task for Abe to walk a few miles for the thrill of opening a new book. He received most of his reading and writing lessons from his mother, between her many chores.

In his early manhood, which was about the year 1828 one of his desires was to abolish slavery. Abraham did not believe in men being slaves. He believed that all men are created equal.

Therefore, at the age of twenty-five Abe thought if he were in Congress he might have a chance to free the slaves. Having been elected to Congress he started making appeals to the people in the hope that they might want to free people who were slaves. Abraham made his different speeches in various parts of the country. But he met with no success because there were to many Southerners against freeing the slaves.

Lincoln then decided he would like to be a lawyer. Abe had once studied law and he liked the subject. He was still not satisfied in law and the people knew this. They knew Lincoln would make a good president; hence, his nomination and election.

There was much rejoicing, especially among the slaves, because they knew they might have a chance of becoming free. About two years after his election Abraham did free the slaves. What a day of rejoicing there was! All the negroes went home to their families. For now, they were free men just like you and me!

America's loss in Lincoln's assination was just material — because no one of Lincoln's character can ever be forgotten — even in the atomic world of today.

ABRAHAM LINCOLN—2nd
By Sidney Warren

Abraham Lincoln was the sixteenth President of the United States. He was born in Hardin County, Kentucky on February 12, 1809, to Thomas and Nancy Hanks Lincoln.

He spent most of his boyhood on pioneer farms, in a surrounding of sickness and poverty. The constant struggle of trying to make a living in the wilderness left him little time for formal schooling. Altogether he had less than one year. Still eager for knowledge, he read and re-read any book he could get.

When he was seven years old, he and his family moved to Indiana and settled on Little Pigeon Creek. He and his father built a three-sided log cabin, where they lived for one year.

Meanwhile he and his father were clearing land and building another log cabin. In 1817, Lincoln's mother became ill. The nearest doctor was thirty-five miles away. This was too far to get to in time so she died without the care of one.

Then after some time had gone by, his father went back to Kentucky where he married Sarah Bush Johnson, a widow. She helped Lincoln with his schooling as she had some education. She also bought him some books to read.

When Lincoln was twenty-one he and his family moved to Illinois and settled in New Salem. Here he got a job as a store clerk. He also managed a mill, split rails, served as village postmaster, studied law, and tried to improve his education. By being sincere and honest and by having great physical strength, he became very popular.

Lincoln was a volunteer captain in the Black Hawk War. He served in the State legislature from 1834 to 1841. At this time, he fell in love with Ann Rutledge, who died in 1835.

Lincoln began to practice law in Springfield, Illinois in 1837. A few years later he became a lawyer and married Mary Todd. He served in Congress from 1847 to 1849 and then retired to practice law. When the slavery question became an important matter, he entered politics again to help in the fight.

In 1855, he joined the new Republican Party and in 1858 became candidate for U. S. Senator from Illinois. In his speeches, he talked seriously against the southern threat declaring that "A house divided against itself cannot stand." Although he lost the debates, he became a national figure.

Soon he was nominated as the Republican candidate for the Presidency of the United States and he won the election. He took office on March 4, 1861.

During his term of Presidency, the Civil War was fought between the states. The Northern states partly for the obolition of slavery. The Southern states were for slavery and for secession.

On September 22, 1862, Lincoln signed the Emancipation Proclamation saying that on January 1, 1863, all slaves in any state in the Confederacy would be free.

This proclamation was a terrific blow against the South. After two more years of bitter fighting with the Confererates waging a losing fight, General Robert Lee surrendered to General Grant at Appomatox Court House, Virginia.

Lincoln had planned to treat the South generously. As soon as ten per cent of the citizens of a state had taken an oath of allegiance to the Union, that state was to reenter the Union. But this was not to be.

On April 14, 1865, while watching a play in Ford's Theater in Washington, D. C., a half crazy man named John Wilkes Booth, shot Lincoln, who died shortly afterwards.

Abraham Lincoln is now buried in Springfield, Illinois, the city in which he got his start. His greatest monument is the Union he saved.

"Side by side with Washington, the father of our country, our people will always honor Lincoln because he preserved the Union and gave it a new birth of freedom."

—Edwin Markham

ABRAHAM LINCOLN—3rd
By Robert Bridges

What is this we see? A log cabin? Why, yes, it is! Look closely, there's a little boy playing outside. You know him, don't you? You should! He is Abraham Lincoln, our pioneer President. He was a great man. He had faith in God, his country, and his people. Let me tell you his story.

Young Lincoln started out in life with many hardships. Among the greatest of these was that his mother died when he was eight. This was a hard blow on young Lincoln. There were many other hardships because "Abe" was born in the wilderness of Kentucky, and naturally every little pioneer boy had many chores to take care of. He helped chop and carry in the wood. He helped tend the animals, and many other things. But every night he studied.

His father married again. "Abe" was very fond of his new mother. She was always kind to him and his sister. She urged him to study and read. She knew he had a good mind.

"Abe" was tall and sturdy, so he was able to do most of the work. He out-wrestled the other boys in the neighborhood easily. When he was seventeen, he measured six feet four inches tall.

When "Abe" became of age, he went into partnership in a store with a man. This other man was lazy. There was a loss, and they were in great debt. Lincoln worked hard and paid the debt.

After awhile he became a lawyer. The people trusted and believed in him. He was also a surveyor.

He was sent to State Legislature and after a long time finally became president.

The Civil War started as soon as he was inaugurated, because eleven southern states seceded and formed a government called the Confederate States of America.

The Northern States were against slavery and secession. The Southern States wanted slavery because the slaves did all the work on their plantations. They also thought States could leave the Union.

After the Civil War, which lasted four years, the president was very tired. One fateful evening, while attending the Ford's Theatre in Washington, D. C., a man named John Wilkes Booth shot him. The next day he died. The whole world grieved over the death of this great man.

ARMY FASHIONS—Ladies of the U. S. Army step out in new taupe-colored uniforms during a Fort Jay, Governor's Island, N. Y., showing. Pvt. Patricia Crantford, top, wears the "havelock" bad-weather hood to protect the hat; Pfc. Elaine Arnold wears the new service cap; and Sgt. Ruth Seshun, bottom, wears the new hat. Jacket has rounded hipline and nipped-in waist.

Industry Survey Plans Revealed

Following a meeting of the South San Francisco chamber of commerce last week, more information was made available on the proposed San Mateo county industrial survey.

The survey, brain-child of SSF Mayor Leo Ferko, has received the backing of all northern San Mateo county cities, including Daly City.

Included in the survey will be the gathering of information needed by factories and industrial firms. To carry out this plan, a reference library is planned. A study of types of industrial development best suited to available lands will be included in the survey.

WINS DESIGN CONTEST—Elizabeth Graham Bell, of Carnegie, Pa., student of architecture at Carnegie Institute of Technology, has been awarded first prize of $500 in a national small homes design competition. Miss Bell plans to use the money for further study in Europe.

Free Chest X-rays Scheduled For 1950

Concrete evidence that the purchase of Tuberculosis Christmas seals in San Mateo county results in effective local service was disclosed today in the announcement that 18,000 residents of the county, who requested chest X-rays, will receive this free service at a total of 130 clinics scheduled for 1950.

The announcement came from the County Tuberculosis and Health Association. The clinical schedule was prepared after a careful screening of all of the requests made by the purchasers of Christmas seals.

In addition, the association said, arrangements are already completed with a total of 910 volunteer clerical workers who will assist at each of the X-ray clinics.

Times and places of each clinic will be announced later in each city and community where they are to be held. These include Bayshore City, Brisbane, Colma, Daly City, South San Francisco, Burlingame, San Bruno, San Mateo, San Carlos, Menlo Park, Ravenswood, Las Lomitas, Pescadero, Half Moon Bay, Lindenville housing project, and Stanford Village.

All of the 130 will be Adult Clinics, in addition to others scheduled in various industries of the county and in schools from the seventh grade through the college level.

Any persons desiring to secure the free X-ray service may make reservations for a local clinic by writing or telephoning the Tuberculosis and Health Association office in San Mateo. They need not be purchasers of Christmas seals in order to get the clinical service.

NOTICE TO CONTRACTORS

SEALED PROPOSALS will be received at the office of the City Clerk of the City of Daly City, California, at the City Hall, until eight o'clock, P.M., on Monday, the 27 day of March, 1950, at which time they will be publicly opened and read, for installing cast iron or transite water pipe mains in Junipero Serra Boulevard, Citrus Avenue and S. P. Co. right of way in said City.

No bid will be received unless it is made on a proposal form furnished by the City Engineer. Each bid must be accompanied by cash, certified or cashier's check, or bidder's bond made payable to the City of Daly City for an amount equal to at least ten (10) percent of the amount bid, such guaranty to be forfeited should the bidder to whom the contract is awarded fail to enter into the contract.

All bids are to be compared on the basis of the City Engineer's estimate of the quantities of work to be done.

Forms of proposal, and specifications may be obtained at the office of the City Engineer, 2382 Broadway, Redwood City, Calif.

The special attention of prospective bidders is called to the "Proposal Requirements" being a part of the specifications, for full directions as to bidding, etc.

The City of Daly City reserves the right to reject any or all bids.

Sunrise Services At Mt. Davidson Easter Morning

Preparations are being made for the 28th annual Sunrise Easter Service on Mount Davidson, San Francisco, beginning at sunrise, 5:45 a.m. on April 9 with the sunrise trumpet call following the prelude by the San Francisco Municipal Band.

Dr. William Elbert McCormack of the First Congregational Church will bring the message using the theme "Toward the Dawn."

The anthem will be sung by the Sterling College Choir of forty voices which will be on tour at that time. Sterling College is a United Presbyterian college located in Sterling, Kansas.

The Citizens' Committee in charge of arrangements for the Sunrise Easter Service on Mount Davidson is headed by James G. Decatur, founder; Lloyd H. Berendsen, general chairman, and Dr. Clifford H. Jope, program chairman.

Union Square in San Francisco was orginally a vast sand bank known as O'Farrell Mountain.

A small diamond was reported recovered from a gold placer in Yuba county in 1947.

Fifteen TB Cases Here Last Year

Infections via streptococcus were the principal cause for illness in Daly City over the past month, the San Mateo county department of public health reports this week.

There were five cases of streptococcus infection here . . . he heaviest in the county. Close behind was mumps, with three cases reported. There was one case of measles and one case of lobar pneumonia.

Colma, too, had troubles with one case of chicken pox and one case of mumps reported.

Meanwhile, in a sick report for the year 1949, the health service reports the following number of cases of various diseases hit Daly City: chicken pox, 72; mumps, 68; German measles, 35; tuberculosis, 15; measles, 15; scarlet fever, 12; streptococcus, 11; gonorrhea and syphilis, 8 each.

The largest Indian village in the Southwest is Zuni Pueblo.

Most of the lead ore produced in California is sent to Utah for smelting.

No phosphate rock, an important component of chemical fertilizers, is mined in California.

JOSIAH'S MILL
Josiah Harder was a practical business man—almost two centuries ago. So he built his mill down by the stream.
Josiah's Mill would have been closer to his customers if he had built it along the turnpike, or at the main cross-roads.
But Josiah built down by the stream . . . and the stream turned the wheel of his mill.
BUILD WHERE THE POWER IS! That was the secret of Josiah's success.
But it's really no secret. For centuries our Churches have been teaching men to build their lives close to God, the Source of All Power. The force of Christian truth, when it flows into our lives, crowns the honest industry of men with joy and success.
HOLY BIBLE
THE CHURCH FOR ALL . . . ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily

"FIND THE WORD" CONTEST IS NOW GOING FULL BLAST

Step right this way to get in on the soft touches! We refer, of course, to the red-hot contest, "Find the Word," now going on in the Daly City Record and the Shopping News. This week there will be ONLY nine prizes, count 'em, and the place to look is in the Shopping News.

The word to locate is "Mission." Now don't count the times it appears in the news stories such as this one. Instead, run through the advertisements only. Then, as soon as the clock strikes 2 p.m. on Thursday, telephone the Record, JUniper 5-3215 or JUniper 7-4321. No calls accepted after 4:30.

As to last week, the chosen word "Milk" appeared in the Record four times, and the following fortunate persons called in first and captured the prizes. Five dollars for Mrs. C. Kruse, 157 Westdale avenue; a $3 Dubuque ham for Mrs. H. L. Coyle, 251 Hillcrest drive; a similar ham for Mrs. T. J. Quickert, 28 Peoria street, and three-month subscriptions go to Mrs. M. Broadbert, 252 Whittier street, Mrs. P. Russell, 44 Crocker avenue, and Mrs. L. G. Walker, 545 Winchester street.

All winners are requested to call at the Record office.

Now this week, again the first prize is $5. Second and third prizes are $3 Decker hams, presented by the Farmer's Market and the Mission Cannery Sales, fourth prize is a basket of groceries from the Market Basket, fifth and sixth prizes are bags of food from the new Belli Market, and the seventh, eighth and ninth prizes are three-month subscriptions to the Record.

Three States Give Vet Bonuses

Floyd D. Granger, veterans service officer, San Mateo county, reminds veterans eligible for bonus from the states of Ohio, South Dakota, Pennsylvania, Iowa and Minnesota, that deadline for applications have been established by these states as follows:

Ohio. June 30, 1950; South Dakota, June 30, 1950; Pennsylvania, July 1, 1950; Iowa, December 31, 1950; Minnesota, December 31, 1950

Application forms for these and other states granting state bonuses are available at the Veterans Service Office in the courthouse, Redwood City, where assistance will be given eligible veterans in completing them.

EASTER SEAL DRIVE ENTERS THIRD WEEK

The current Easter Seal drive for aid to the county's handicapped children now ending its second week of campaign effort has to date only been "moderately successful" according to a report this week from S. D. Merk, president of the county Crippled Children's Society.

Merk urged county residents to make their gifts for Easter seals as soon as possible in order that this year's fund-raising drive can be successfully completed before the end of the campaign period on April 9.

According to Merk, more than 45,000 letters containing seals and a self-addressed return envelope, were mailed out to local citizens early this month. The return from this county-wide appeal, Merk said, has been "discouraging" and unless more response is forthcoming within the remaining days before the end of the drive, this year's fund goal of $26,300 will not be reached.

Merk stressed the need for county support for the work of the society.

"All year round," Merk said, "the society helps the handicapped youngsters in our county. The parents of these unfortunate children could not possibly afford the type of modern therapy required to strengthen tiny crippled bodies."

"Once each year," Merk pointed out, "the society calls on county citizens for assistance asking that each resident make a modest contribution to the Easter seal fund."

Merk was optomistic that the 1950 fund goal would be reached before the end of the drive period.

SM County Retail Outlets Increase

San Mateo county showed the second largest gain in licensed retail outlets in the bay area counties during the period between September, 1948, and September, 1949.

This was announced today by the San Francisco bay area council from an analysis of board of equalization statistics.

Suburban living is also the trend, with San Mateo county reporting a gain of 3.2 per cent and Marin county, 3.7 per cent.

Contrary to the national average, which for the first time since the war fell off, a gain of .2 per cent is reported for the entire bay area.

San Mateo county's gain showed a trifle more than three new stores over the 1948-49 period for every 100 in operation prior to that period.

Half Moon Bay Mail Route Bids Sought

Postmaster John F. Fixa today announced bids will be received by the Post Office Department, Washington 25, D. C., until May 11, 1950 for transportation of mails from Half Moon Bay to San Francisco and return. Term will be for four years, Fixa said.

Information relative to the route covered has been posted at Main Post Office, Seventh and Mission streets, and forms for bidding may be obtained there.

PEDESTRIAN CROSSINGS

Remember that the pedestrian always has the right of way in a marked crosswalk where traffic is not controlled by signals or a traffic officer. Slow down as you approach pedestrian crosswalks, urges the California State Automobile Association. At controlled intersections, the pedestrian is required to obey traffic signals.

GAGGERO - GREEN - KENNEDY STATEMENT TO THE VOTERS

"If the opposition could have its way, Daly City would return to a period of community stagnation," stated Mayor Paul Green this week. Green and Councilman A. J. Gaggero are running for re-election to their present posts, with James H. Kennedy as the third man on the ticket.

"In the past two weeks," continued the mayor, "the opposition has failed to advance a single constructive thought for community development, but have pursued the same underground tactics that have marked their activity in the past, a desperate, do-nothing program."

"City councilmen are called on to make a city bigger, better and stronger, and the people will not support those who have failed to advance a worthwhile program."

The Gaggero - Green - Kennedy statement went on to explain that they heartily favor annexation of more areas, until more than 5,000 new homes will be on the city tax rolls. This type of progress brings prestige and will enhance the value of all our homes, the statement said.

Councilman A. J. Gaggero stated, "Our opposition has always pulled an 'iron curtain' around Daly City when the question of annexation has appeared."

James M. Kennedy, the third man on the "Progress Brings Prestige" ticket, lashed out at his opposition with this declaration, "The people should look at Councilman Battye's record of 'smothered votes.' It is a most interesting study of blind devotion to his political mentor. It is amusing how Battye's requests coincide with the selfish interests of his political ally."

The Gaggero - Green - Kennedy statement went on to say they would spend the next four years working for the best interests of all residents. Some projects now under way and slated for early completion include:

1. A large post office building.
2. New traffic signals and channelization at the "top of the hill" and at Mission and Market streets.
3. New high-lumen Mercury street lights the entire length of Mission street.
4. Securing of federal funds for a sewage disposal plant.
5. Acquisition of a new 10-acre park in Westlake, to be paid for with revenue from the new tract.
6. Complete Daly City Recreation program:
   a. Calling for bids on the $295,000 Recreation building at Alp and Mission streets.
   b. Complete development of Marchbanks Park.
   c. Acquisition of additional lots to expand Lincoln Park at Acton and Brunswick.
   d. Start of the completely new Edgewood Park.
   e. A new park at Frankfort and Acton streets.
   f. A new park in the area south of School street.

The statement pointed out that the continuation of the recreation program would require the election of men pledged to recreation activities, instead of those whose "lip service" would set back the city's program.

It was called to the attention of the voters that Daly City was selected as a model city at the recent State Recreation conference in San Jose, to put on an exhibit and explain the operation of the new recreation program which has won state-wide recognition for this city.

JAMES H. KENNEDY

KEEP THE HORN RESPONSIVE

With traffic exceptionally heavy, a horn that is instantly responsive to the button is an absolute necessity, declares the National Automobile Club. Horns as a rule give very little trouble, but they are subjected to vibration and jolts that serve to loosen connections.

Such a horn is slow and generally inefficient. It should not be tolerated in that condition.

OREGON'S HIGHWAYS

Oregon has about 7, 300 miles of state highways and more than 52,000 miles of country roads, according to the National Automobile Club.

BATTYE - SMITH - NENSTIEL STATEMENT TO THE VOTERS

Challenging statements made by members of the incumbent majority of the city council during the past week, today Councilman Mel Battye, Ed Nenstiel and Hugh H. Smith Jr. issued a demand that the incumbent council majority seeking re-election tell the people of Daly City just what the facts of their administration are, instead of asking "Isn't it a fact?"

The ticket headed by Councilman Battye and made up of former Councilman Smith and Nenstiel, owner of the Daly City Hardware Store, declared that virtually all of the claims made by the incumbent mayor and his ticket, merely were duties expected of any council member. Battye, Nenstiel and Smith asked just what the incumbents have done that merits their claim to re-election or their claim they have conducted a progressive administration.

Under Battye and Smith as councilmen, numerous organizations were enlisted in support of the War Memorial community center, organizations which would be vitally concerned because of the fact they would use the new center extensively. Under the present majority of the city council not one of these organizations has been consulted in regard to plans or anything else in connection with the community center.

"During the past week," according to Councilman Battye, Nenstiel and Smith, "the people of Daly City were treated to a pamphlet put out by the incumbent majority of the city council, claiming achievements that are routine in any city. Their talk about signs, ambulance service, repairing broken sidewalks and installing traffic signals are services expected of any council. They mention fireworks for the children on Fourth of July and Xmas lights on Mission street, but they forgot to remind the merchants how much their annual license fees were raised. Why not credit the Daly City merchants? They paid.

"They talk of annexation of various areas, especially Westlake, to the city. Discussions with Mr. Doelger were initiated by Councilman Battye. They tell you we circulated petitions against annexation. We did not. We circulated a petition to give the people of Daly City an opportunity to vote on the terms of annexation granted by them to Mr. Doelger. In other words, we forced the majority of the city council to let the people decide this major issue.

"So far as increased water service is concerned, isn't it a necessary procedure to increase water service after adding additional areas to the city?

"They tell you about a new post office and the application for state funds for traffic separation and new signals. These things will be determined by the federal government and the state government regardless of any city action. Just as the federal government will determine how much, if any, money will be allocated to our sewer project.

"The opposition tells you of a 10-acre site under option for purchase as a park in Westlake. We believe a public-spirited developer should contribute a parksite in view of the many advantages he gained by annexation.

"In conclusion, they bring up the subject of 'boss' rule. We wonder how many people in Daly City are in any doubt as to who is really the boss of our city council. We suggest if there is any doubt, they ask Mr. Henry Doelger, or any of the three men he is supporting for city council."

Signed:
HUGH H. SMITH JR.
ED NENSTIEL
MEL BATTYE

Inscription Rock, in the El Morro National Monument in New Mexico, has been called "the world's largest history book."

The Spaniards named San Francisco's Point Lobos, "Point of the Sea Wolves," for its proximity to the Seal Rocks sea lions.

THEY WANT TO CLEAN HOUSE

Councilman Mel Battye, extreme right, heads the ticket for city council that believes a clean sweep is due in Daly City. Running with Battye, and pictured with him above are Hugh H. Smith, Jr., and Ed Nenstiel, owner of the Daly City Hardware Company. Smith retired from the city council in 1946. All three promise a real clean-up in city affairs.

Famous Dog Here Saturday, March 25

This famous Calo dog will be at the Belli Market on Saturday, March 25 all day to take the kiddies for a ride. This dog was imported from Holland where this breed is used for work purposes and herding cattle. The breed is known as Bouvier Des Flanders.

Two San Mateo Hotels To Be Torn Down

Two familiar San Mateo landmarks are to be torn down in the very near future, it was learned today.

Both are hotels, the Royal at Second avenue and Main, and the St. Matthew's at 215 Second avenue. The two hotels have been standing for 70 and 50 years, respectively.

The Royal is to be replaced by a $60,000 store unit, and a new, remodeled hotel at a cost of $80,000 is to go up around the "skeleton" of the St. Matthew.

Child Clinic

At their regular meeting last week the county board of supervisors agreed to continue support of the San Mateo county child guidance clinic.

The vote was 4 to 1 in favor of a budget appropriation of $36,000, as in previous years, for the clinic. Supervisor Henry W. Edmonds cast the only descenting vote.

"What I am endeavoring to do is to force the clinic to develop ways and means of financing the major portion of the cost of operation from sources other than the county treasury," Edmonds said.

Only other business before the supervisors was the opening of bids on proposed dredging at the Coyote Point Yacht harbor. Bids were referred to the county executive and the county engineer. The lowest apparent bid was made by the Associated Dredging company of Pittsburg, at $6,[illegible]69.

"Gasumat" Service Station Holds Big Opening Friday

A completely modern $30,000 "Gasumat" will hold a grand opening Friday, March 24, at 91st and Junipero Serra boulevard, Syl Schwartz, owner, said today.

Offering customers the best, and still the lowest price gas, the station will operate 24 hours a day. There are nine fast-type pumps which may be run by the customer if he is in a hurry, or by one of the many attendants.

An added feature of the station is a five-minute, fully-automatic car wash. This is one of the most modern in San Mateo county.

And for the convenience of customers, the station has a complete hot water service. This means hot water in the rest rooms day and night.

Other features include lubrication service, tire and battery service and equipment for minute, minor auto repairs.

As the station is to operate at night, there is a lighting set-up second to none in Daly City. It makes the station appear to be bathed in sunlight at all hours of the night.

During the grand opening, Friday, all ladies are to be given free baby orchids. Children will receive fire hats, and the men will make tremendous cash savings on their gas, Schwartz said.

With 10 years of experience behind him, Schwartz is certain he can offer customers the best service in this part of the county. He will be assisted by two Daly City men, Albert Oliverie and Floyd Dahl.

FOR RENT — 2-rm. furn. apt. Call all day Saturday and Sunday. DElaware 3-0288.

FOR SALE — chesterfield, good condition. Very reas. Westlake. PLaza 5-0511.

BROKEN FAN BELT

It is advisable to have the automobile fan belt checked each time the car is lubricated, says the California State Automobile Association. A broken fan belt may cause burned out connecting rod bearings, or ignition trouble due to a run-down battery. Before starting on an extended automobile trip, it is a good idea to install a new fan belt and carry the old one for a spare. A new belt of proper size may not be obtainable in every locality.

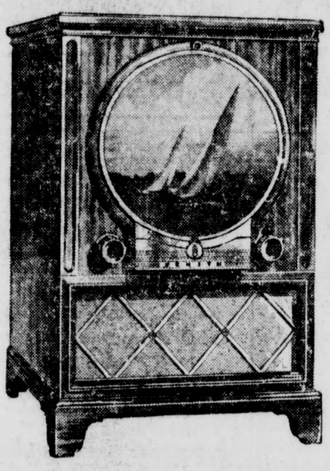
ZENITH "PRESIDENTIAL" LINE OF 1950

Giant Picture "Black Magic" Blaxide Tube Television

Every Model with Built-In "Picturemagnet" Aerial and Sensational New "Super-Range" Chassis



165 Sq. Inch Screen

1950 Zenith "Lincoln" Television Console with new "Super-Range" chassis, built-in "Picturemagnet" aerial and Glare-Ban "Black" Blaxide Tube, 165 Sq. In. Screen. Exquisite cabinet of genuine Mahogany or Walnut veneers, with all of Zenith's advanced features at their best.

Pay ONLY $3.76 a week

Only Zenith Gives You All These Sensational TV Features

New Zenith* Blaxide "Black" Tube... brings a new standard of television picture quality. Provides unequalled TV viewing pleasure, even in normally lighted rooms—the way medical authorities recommend television should be viewed!

New "Super-Range" Chassis... super-sensitive for pictures of greater clarity—even in many "fringe" areas.

Built-in "Picturemagnet" Aerial... allows you to enjoy Zenith's superb TV without external aerial in many locations!

Giant Circle Screen With Picture Control... gives you real picture superiority. Brings your choice of circular or rectangular picture at the flick of a finger.

One-Knob Automatic Tuning... just one twist brings in station, picture, sound—all pre-adjusted.

NEW BELLI MARKET STAGES GRAND OPENING FOR TODAY

The Belli Market, at 7283 Mission street, staged a gala opening today and thereby hangs a story—an American success story.

A couple of scores of years ago, a young Italian dreamed of the day when he could come to the U. S. A., where the streets are paved with gold, according to an old world legend.

Of course, the youth, who lived in the town of Lucca, in the northern part of the boot, knew that things weren't that easy, still, he believed there were golden opportunities here.

At last the day came when he had sufficient wherewithal to book passage on a small steamer headed for New York. However, that city was not his chosen destination.

Instead, he was of the opinion that better fortune and climate was to be found on the west coast, and California in particular. Besides, he had relatives here.

The broad expanse of the continent made a profound impression upon him. Certainly, the new land was vastly different than his, which could be traversed in a matter of hours instead of days.

Before he arrived in San Francisco, his mind was made up. He decided to become a nephew of your Uncle Sam, also, to one day own and thrive on a business of his own.

However, it was not all beer and skittles for him. On the contrary, he had to start at the bottom, toiling long hours every day and for a meager recompense.

That merely made his mind more determined. But how was a young immigrant to find a niche—a corner that one day would be his very own, was the problem.

Several years elapsed before a chance came his way. He had watched carefully the operation of a grocery store, then concluded that he could master details and own one—in the future.

Well, thirty years ago, that aim took shape in a small shop in Colma. But in those days, the populace was few and far between, and the dwellings comprised only a handful.

In fact, he related that the section was strictly rural, resembling a small country village. Nevertheless, he felt that in time, a thriving community would arise.

Thereupon he set to work to prepare for the moment when he could have the finest market obtainable, he said. Today that dream, born so many years ago, came true.

Joseph Belli is proud of the achievement. As he and his two sons, Joe Jr. and Robert, swung open the doors early this morning, they checked to see that all was in readiness.

First, came the large refrigeration plant, consisting of walk-ins and reach-ins, of the J. Mowat manufacturers. Next, was the Fogle system for the extensive butcher shop. And then came the big friigidaire for the delicatessen.

Going to the rear, the many fixtures, including numerous long long lines of fluorescent tubes, were turned on, and presto, they worked perfectly.

ADVERTISEMENT

Patrol Asks For More Men

A (U.P.) Dispatch under DATELINE NOV. 25, 1949. From SACRAMENTO reads in part as follows:

SACRAMENTO.—(U.P.)—The California highway patrol has asked for 223 additional highway patrolmen during the next fiscal year to provide "adequate coverage" of the state's highways.

Patrol Commissioner Clifford E. Peterson said that the patrol would need a total of 996 additional patrolmen in the next five years.

He said officers especially were needed i nthe unincorporated areas of Los Angeles County where in many cases the patrol functions "like a city traffic force."
